FOREWORD

The purpose of the 1967 Log is to reflect on the bond of strength and interdependence existing between the community, the school, and the individual. Senior Becky Dixon has crystalized this thought in the following words:

*It is a good today.
Our community is prosperous,
Our opportunity unlimited.
We come to Lakeview with our hopes and talents,
And leave with reality, and cultivated skills.
The bond between us and society
Is a reservoir of potential wealth
Waiting to be tapped—by Lakeview.*

*As we gain the ability to earn what we want,
We produce in exchange the products or
The services that make our nation stronger.
We learn to live by having lived to learn,
And grow in spirit to fulfill the promises
America has made to us.
As we have walked and worked within these halls
We will live and labor in the future
To provide the community with its guidance and strength.
It is a good today.
We came with our ambitions
To Lakeview, and depart,
Hoping, for ourselves and for those who follow us,
To make a better tomorrow.*

Cultural Arts Are High In Harmony

"In the art of design, color is to form what verse is to prose, a more harmonious and luminous vehicle of thought."

These words of Anna Jameson outline the course which the young artist attempts to follow as he creates. Art students learn the value of self expression and they gain a wider prospective of their world through their work.

Harmony and high stepping are characteristic of the 1967 Marching Band. Their precision in competition earned a first division rating from the eleventh district in the Michigan School Band and Orchestra Association Marching Band Festival.

Performing in dazzling new uniforms, they accent the football season with fine halftime presentations.

Football And Fantasy Are Colorful

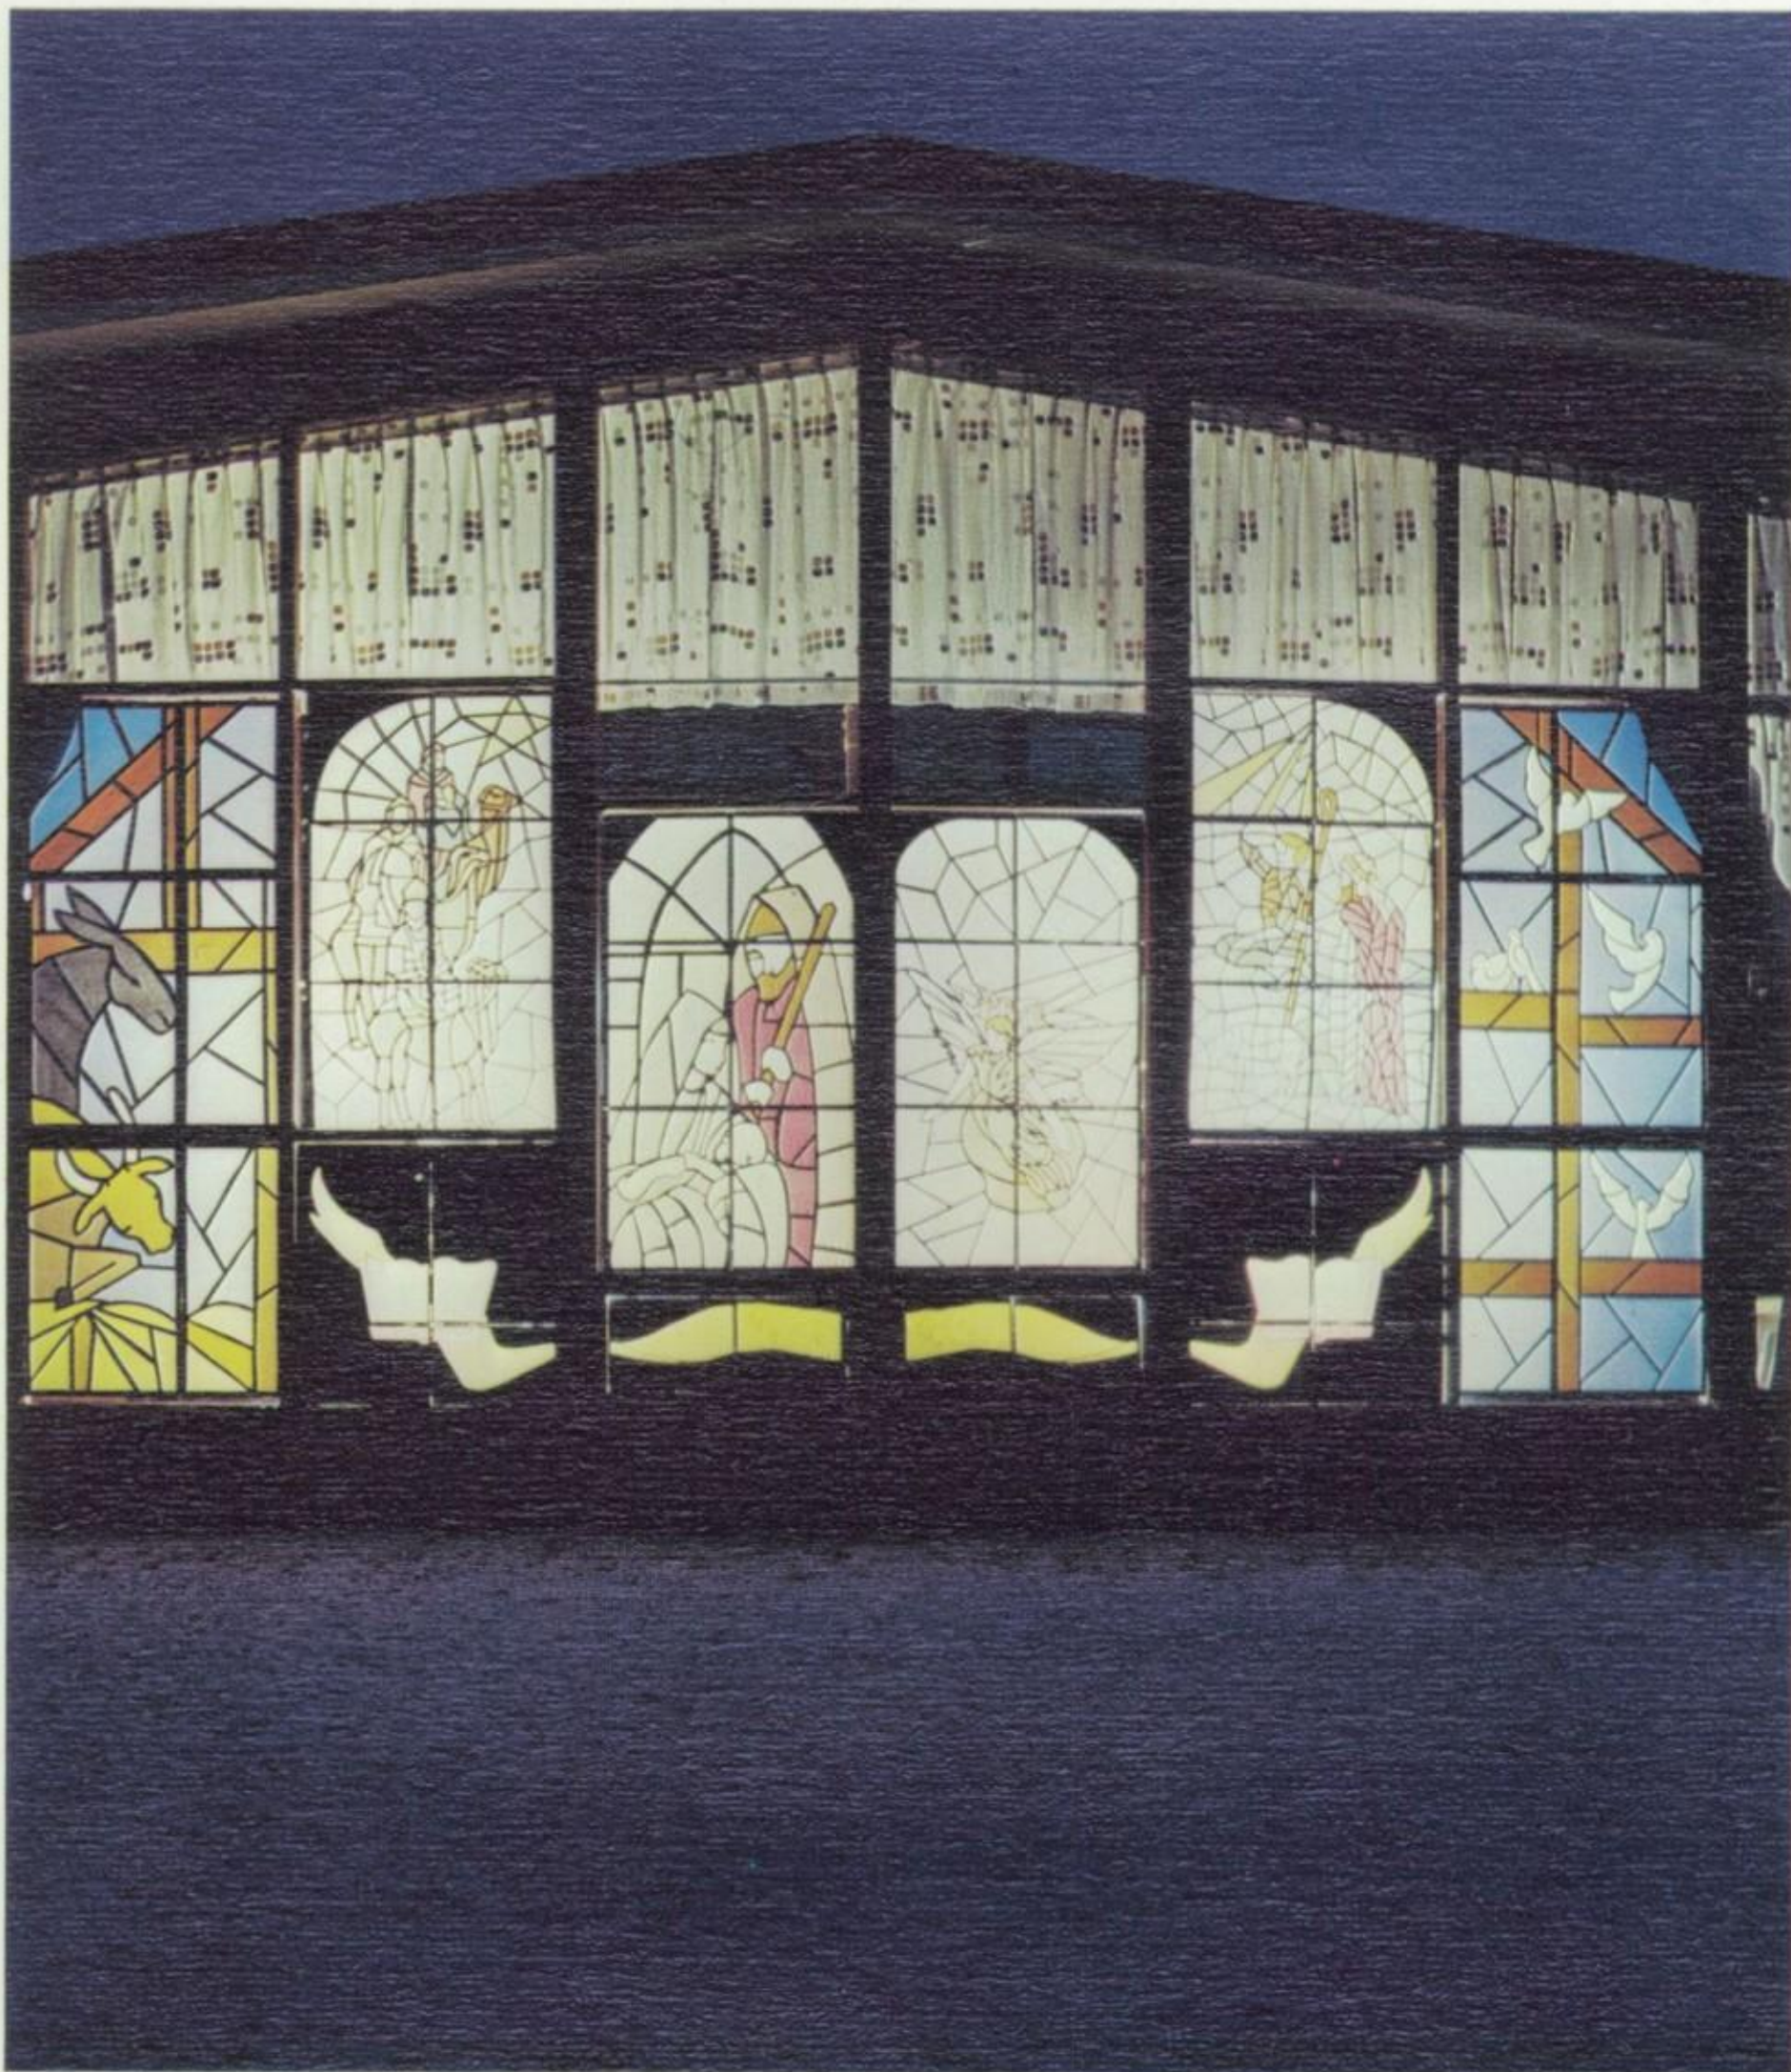

PRIDE, PRECISION, AND PERFECTION present Lakeview's athletes with a challenge. This motto is realized as they demonstrate the effectiveness of a co-operative team effort and exhibit the qualities of good sportmanship.

SPANISH FIASCO, the Winter Fantasy of 1966 provides entertainment with a Spanish flare as talented young performers exhibit their skills on the stage. The drama and music departments strive to develop the students' ability through the various plays and musical programs of the year.

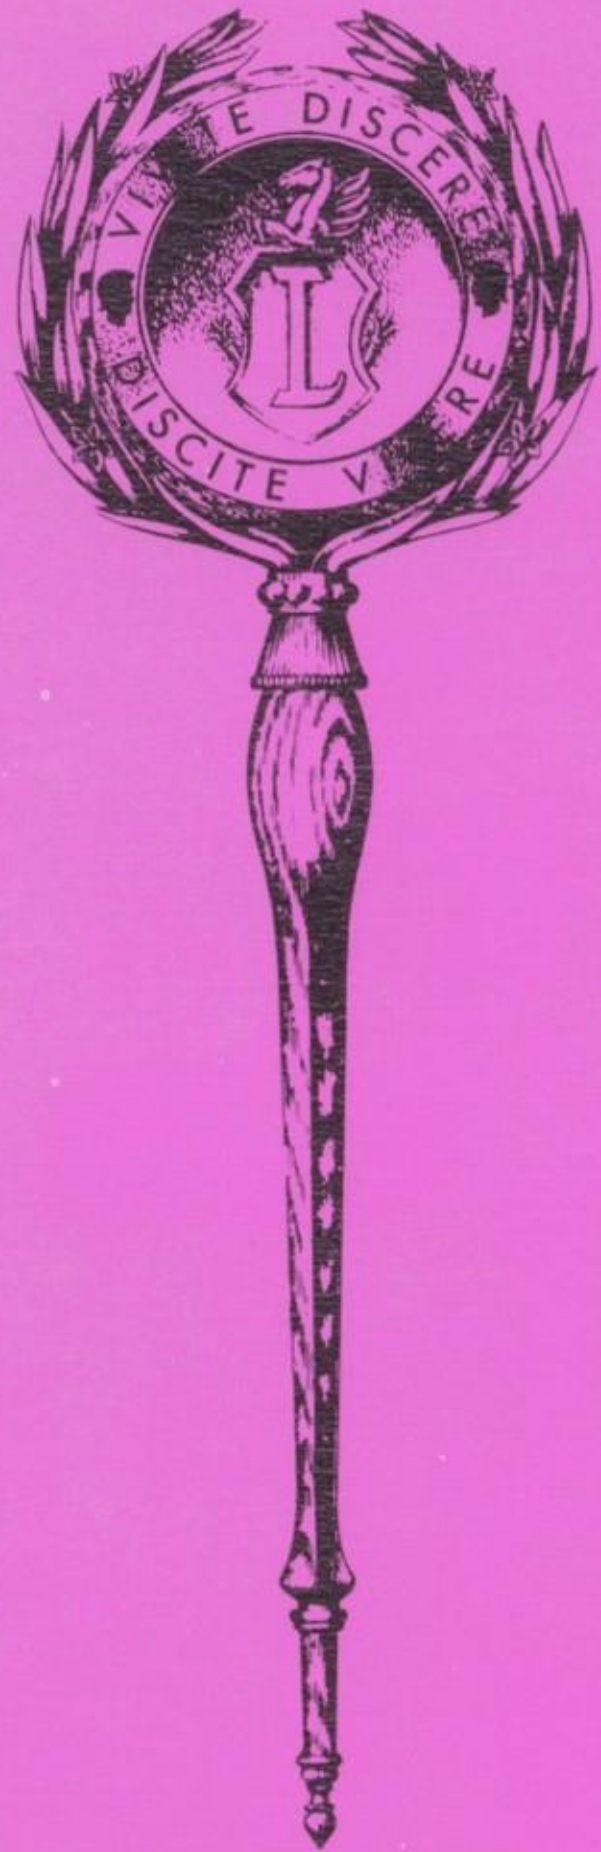

Lakeview's spirit came through in a great spectrum of color during the joyous days of Christmas, as this view from outside the library illustrates.

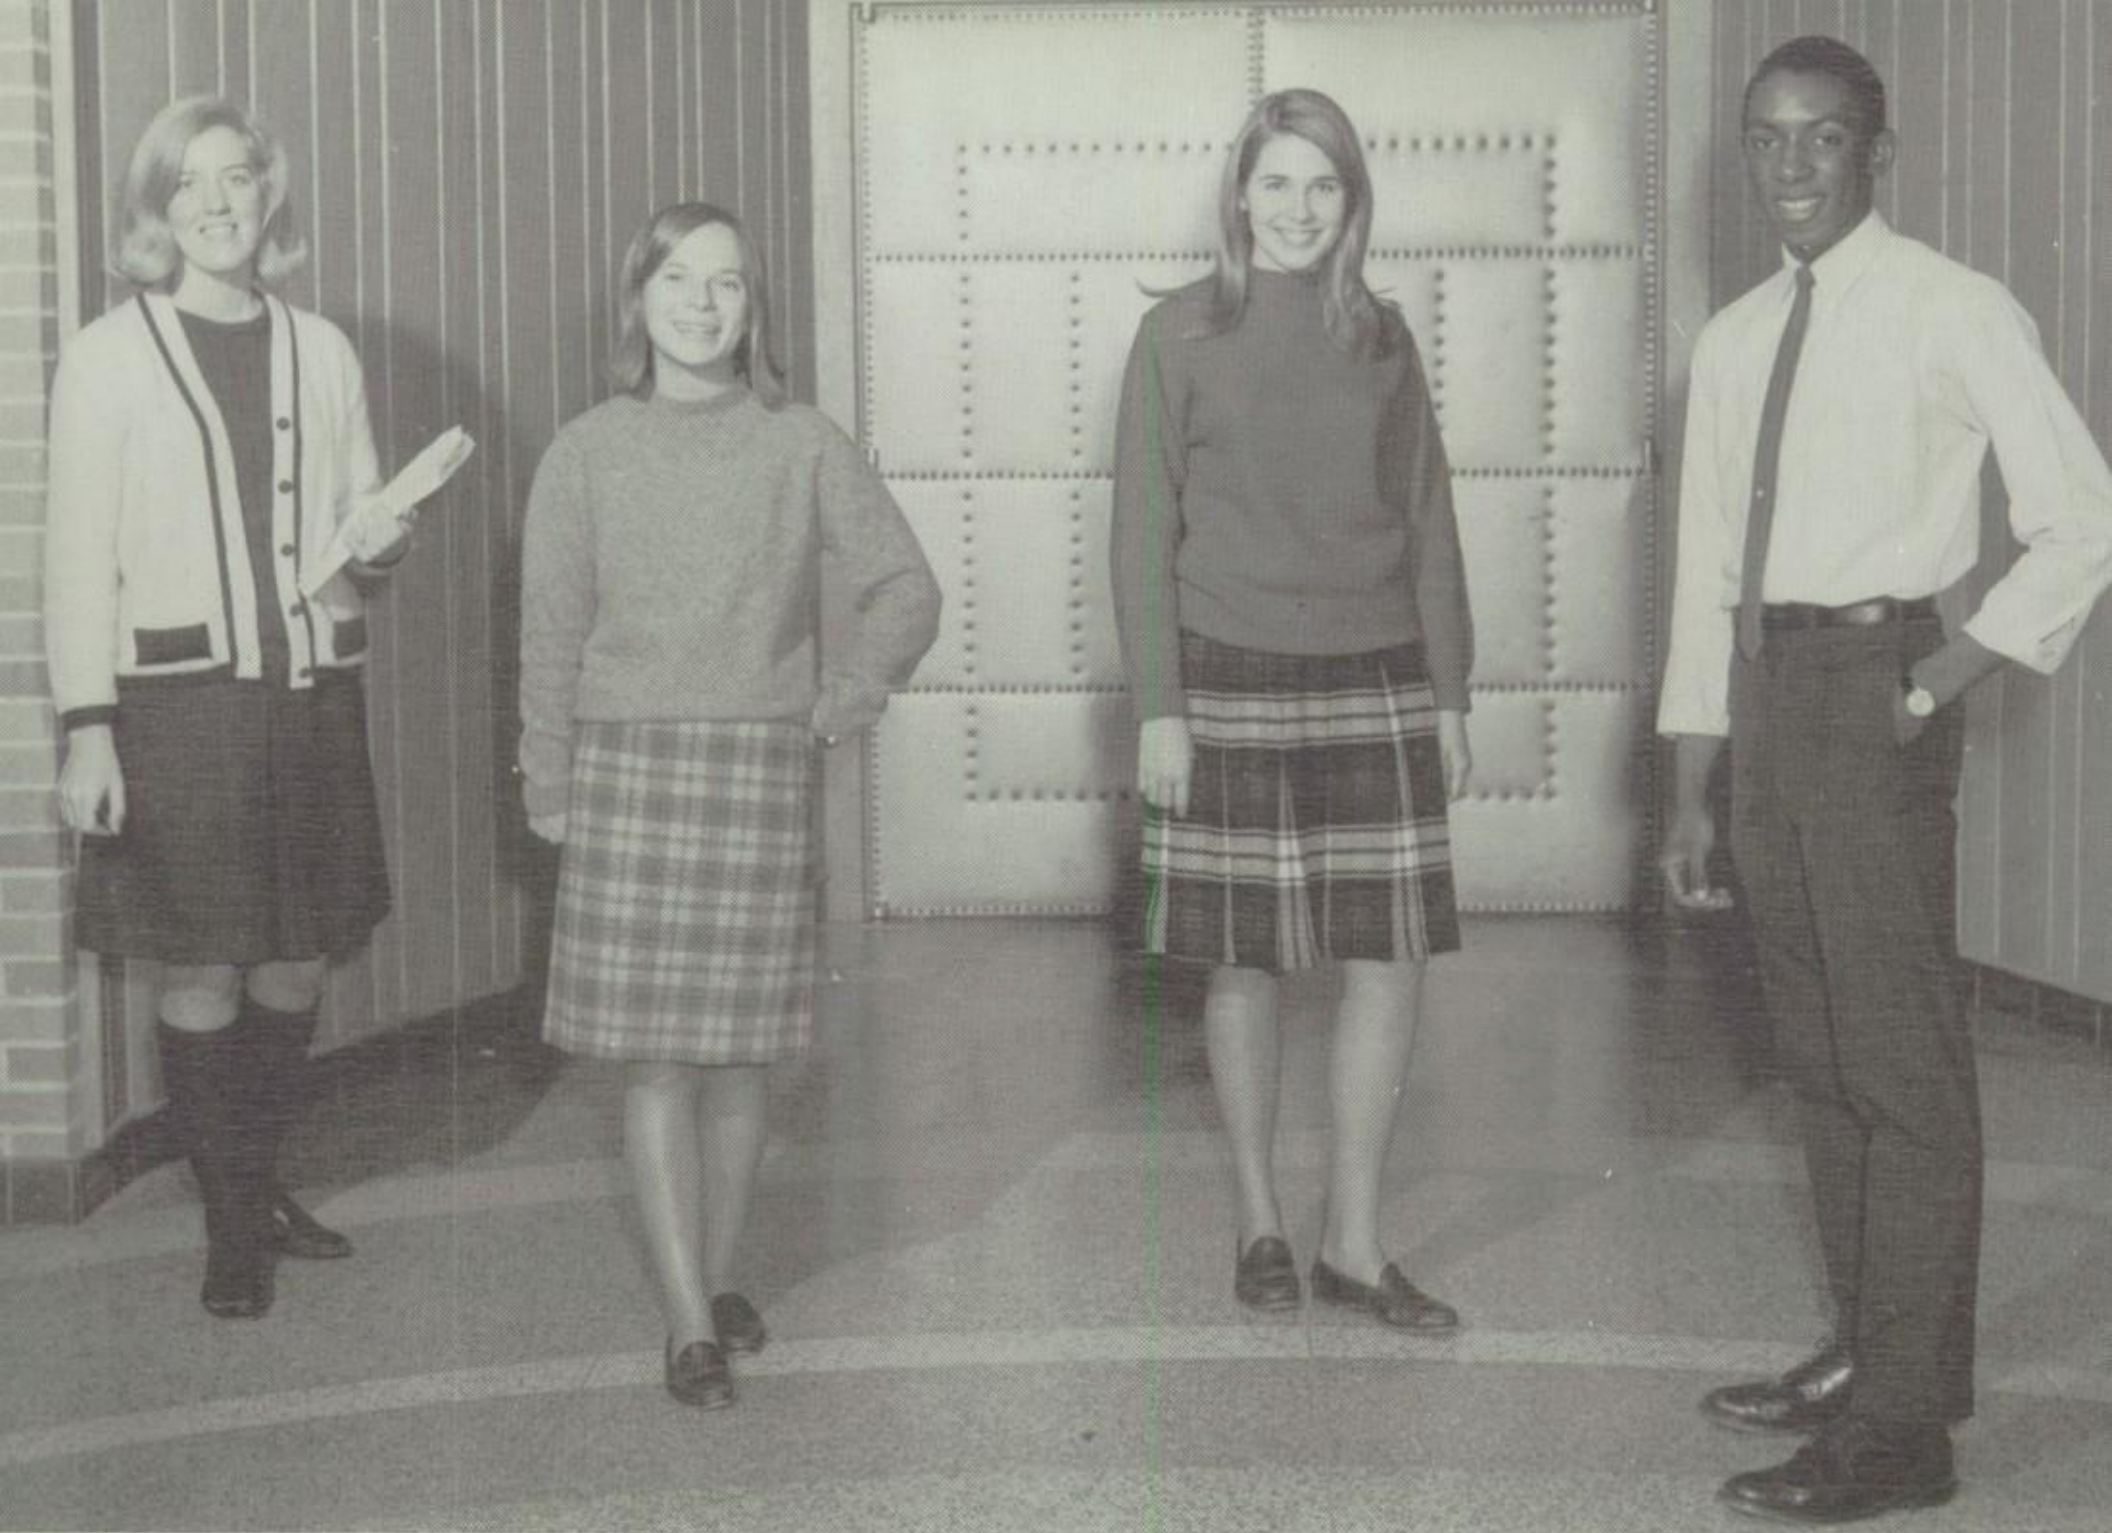

Queen Sue Simpson and her Court consisting of Karen Crumpton, Pam Kerr, and Cathy Clark were presented in a halftime ceremony at the Homecoming game.

Seniors

A senior is an individual with an alertness to life around him. He is open minded, ambitious, intelligent, and aware. But most important is the discovery of himself that has taken place in high school; the awakening of the growing mind that occurs particularly at this time between adolescence and adulthood.

Senior class officers: Julie Kile, secretary; Sally Belson, treasurer; Janet Backlin, vice-president; and Van King, president.

We Will Remember.....

Our first Homecoming, "Autumn Interlude" our last Homecoming, "Perfection in Purple" the coronation of Sue as Homecoming Queen the Junior Prom, "Sakura No Kuni" the pep assemblies four Winter Fantasies camp at Yankee Springs the Senior play, "Teahouse of the August Moon" the Senior Prom Senior week Baccalaureate Graduation.

Knowledge, the substance of life, is the goal Lakeview students strive for. As a reward for their efforts, Lakeview offers membership in the National Honor Society, an honor roll for each grade, and various scholarships.

ACHIEVEMENTS

National Honor Society

Seekers of Knowledge

It is with pride that students become members of the National Honor Society and partake in its' activities. To become a member, the student must possess the qualities of scholarship, character, leadership, and service. He must maintain a B average each semester, with no grade lower than C. Under the supervision of Mr. Harold Chase, the Society has offered a tutoring service to the students.

Summer

Educational Workshops

This past summer provided many students with the opportunity to attend camps, clinics, and workshops at Interlochen, Western Michigan University, Hope College, Northwood Institute, Olivet College, Central Michigan University, Lake of the Woods Camp in New York, and University of Kansas. For a week this summer, Wolverine Boy's State was held at Michigan State University. There were 1200 boys involved and the major theme was democracy. The seven boys who represented Lakeview felt that it was a very profitable and worthwhile experience. Wolverine Girl's State was held in Ann Arbor and Lakeview sent three representatives.

In order for students to be eligible for the honor roll this year, they must have a 3.0 or better average. This is a change from last year's 3.5 or better. Beta rating represents a 3.0—3.5 average, while an Alpha student is one who maintained a 3.6—4.0 average.

Row 1: Senior Alphas—Pete Olson, Jacqueline Dillon, Sue Simpson, Julie Kile, Linda Stafford, Sue King, Ann Fairchild, Terri Haycook, Kirk Davis.

Each year the National Merit Scholarship Corporation holds a nationwide competition for all students who plan to further their education. Students obtaining high scores on the National Merit Scholarship Qualifying Test are awarded the title of semifinalists. This year the winners were Bob Jensen, Chuck Van Huysen, and Gary Pulsipher. Receivers of Letters of Commendation, the next highest scorers, were John Cain, David Bunch, Tom Dunivin, Vern Estey, and Ann Fairchild who is not pictured.

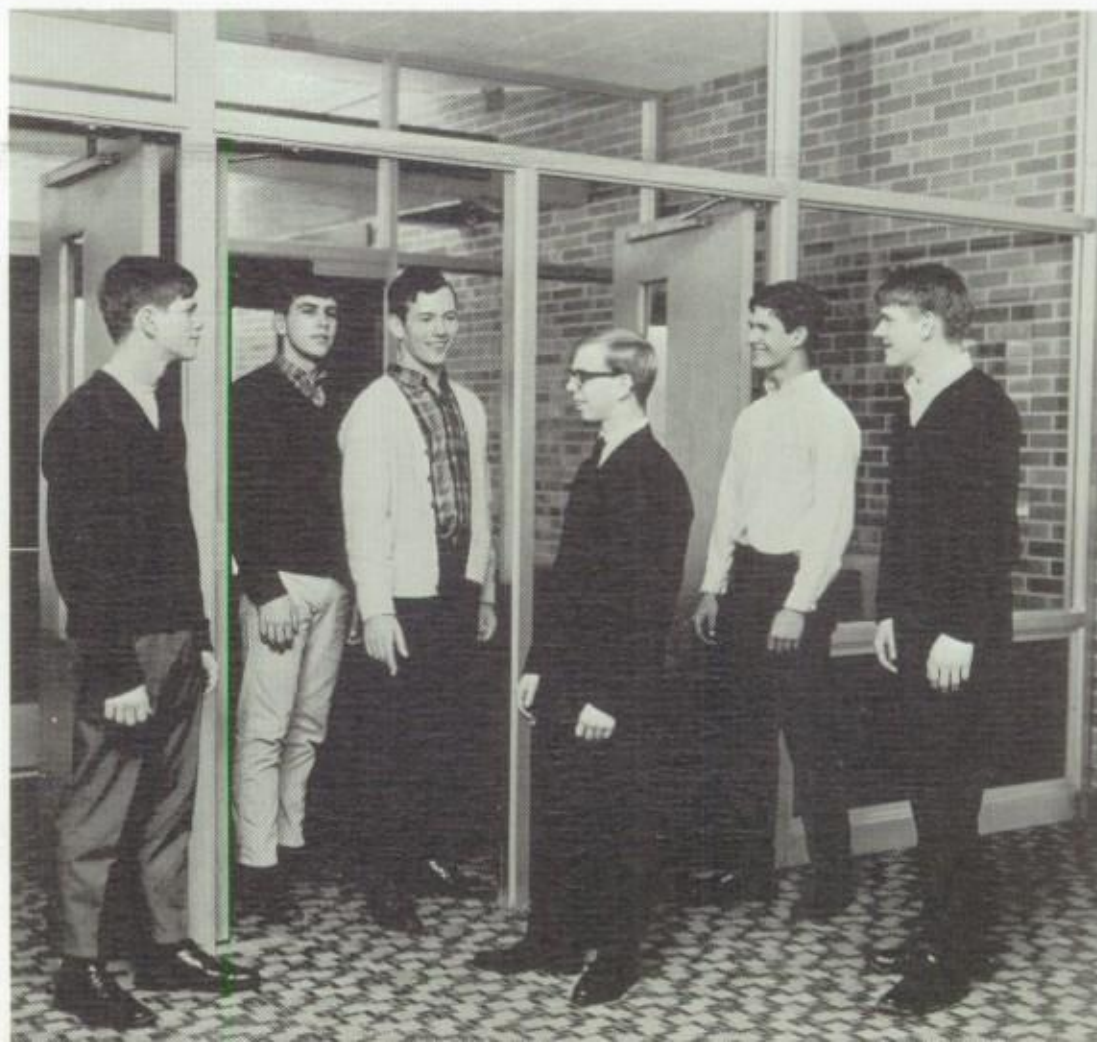

Recognition Gained By Honor Students

The D.A.R. Good Citizen award is one which any senior girl would be proud to hold. Sue Simpson, this year's D.A.R. Good Citizen, was chosen because she possesses the qualities of dependability, service, leadership, and patriotism.

Chosen to attend the Rotary International Meetings downtown were Gary Pulsipher, Randy Curtis, Ralph Sullivan, David Bunch, Tom Dunivin, and Bob Jensen. These senior boys were selected by Mr. Thomas, counselors, and the faculty on the basis of leadership, character, and their academic standing.

Quill and Scroll

A member of Quill and Scroll, the international honor society for high school journalists, must have had published a hundred inches or the equivalent, had a "B" average, and been approved by the advisor. Members of the Log and Crystal Staff are eligible for membership.

This year, eleven students represented Lakeview in the Youth Appreciation Week. This program is designed to acquaint high school students with the duties of city officials and executives. Each participant in this program gained experience and knowledge of how to better serve their community.

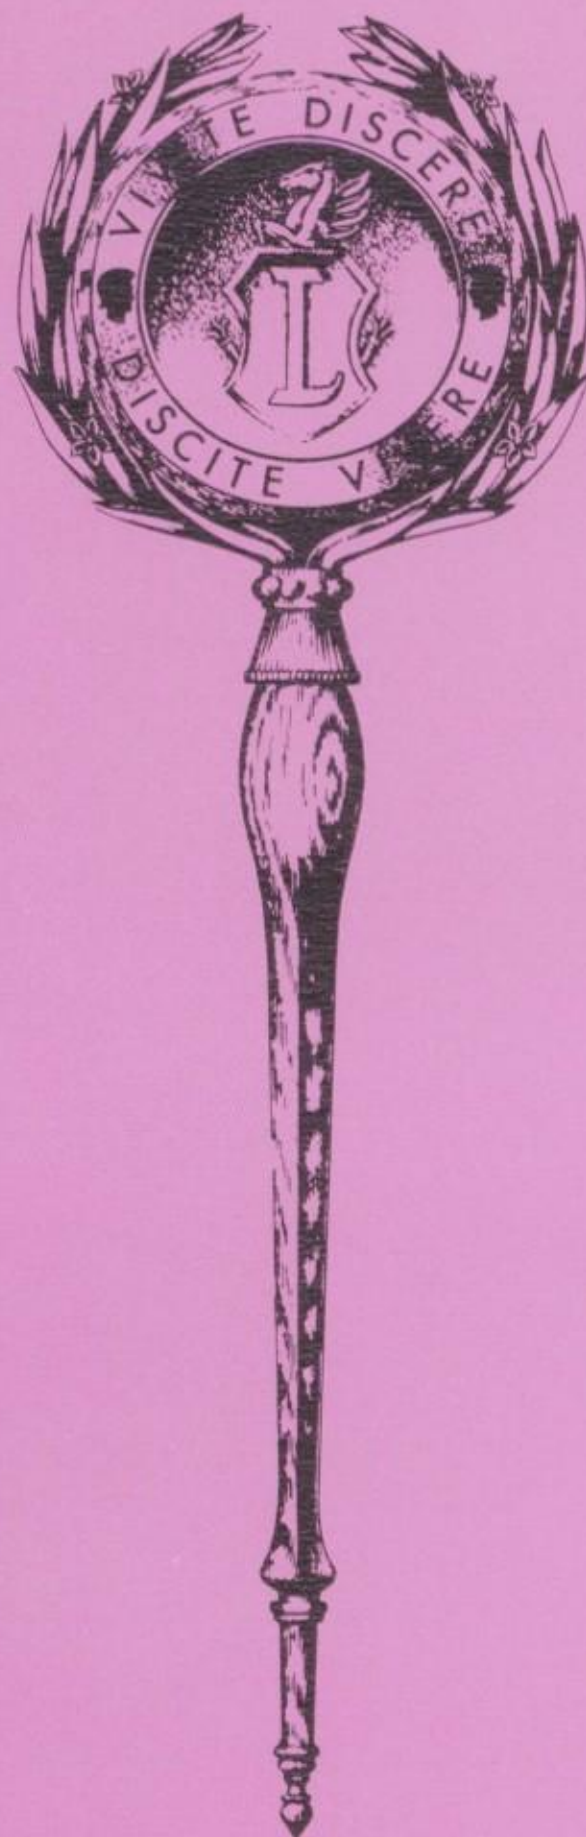

Activities are an intrinsic part of the reservoir of wealth which Lakeview has to offer. They provide students with the opportunity of working together and exchanging ideas with those who share common interests. These interests are developed into talents which are presented to the school and community in programs such as Winter Fantasy and Senior Play.

Homecoming week was an occasion when students learned the value of working together with a common goal. The theme Perfection in Purple was the unifying force as each class decorated their area of the school.

Activities like these helped teach awareness of the bond existing between the community, the school and the individual.

Perfection In Purple

"Perfection in Purple" was an exciting and happy affair to be remembered always. Homecoming began weeks before October 3, with meetings to plan decorations and hours spent in mapping out the gala week. With the announcement of the Top Ten, the festivities finally began. Decorating the halls was a tiring yet rewarding experience for all. The beautiful decorations helped to create a total Perfection in Purple. The Bon-Fire and the Top Ten Dance rounded out the days until we learned of the exciting news—the announcement of our queen, Sue Simpson, and her court, Cathy Clark, Karen Crumpton, and Pam Kerr. Everyone reached the peak of excitement at the football game with Lansing Everett. The Top Ten and their fathers were presented, and Queen Sue was crowned by last year's queen, Terry Smith. The score of the game registered defeat, but the spirit of Lakeview could be recorded as a victory. "Always Amethyst" capped off the week with dancing, fun, and lasting memories.

One of the tasks for the classes is to decorate part of the building. Here, some sophomores decorate a hall with a festive Spartan arch.

These are a few of the many people involved with behind the scenes activities. This year's chairmen were: stage, Dan Waite; lights, Ron Yeo; scenery, Jackie Dillion; sound, Jim Preston; make-up, Laurel Dryer; costumes, Marty Miller and publicity, Gavin Pope. The overall excellence of the Senior Play was due not only to the dramatic ability of the actors but also to the superior technical abilities of the backstage crew. The cooperation of these diverse groups combined in producing one of the most outstanding plays Lakeview has ever seen.

"For pete's sake, Sakini, how do you expect me to see to drive?"

John Cain, Martin Hoehener, and Marianne Caluory were the main characters.

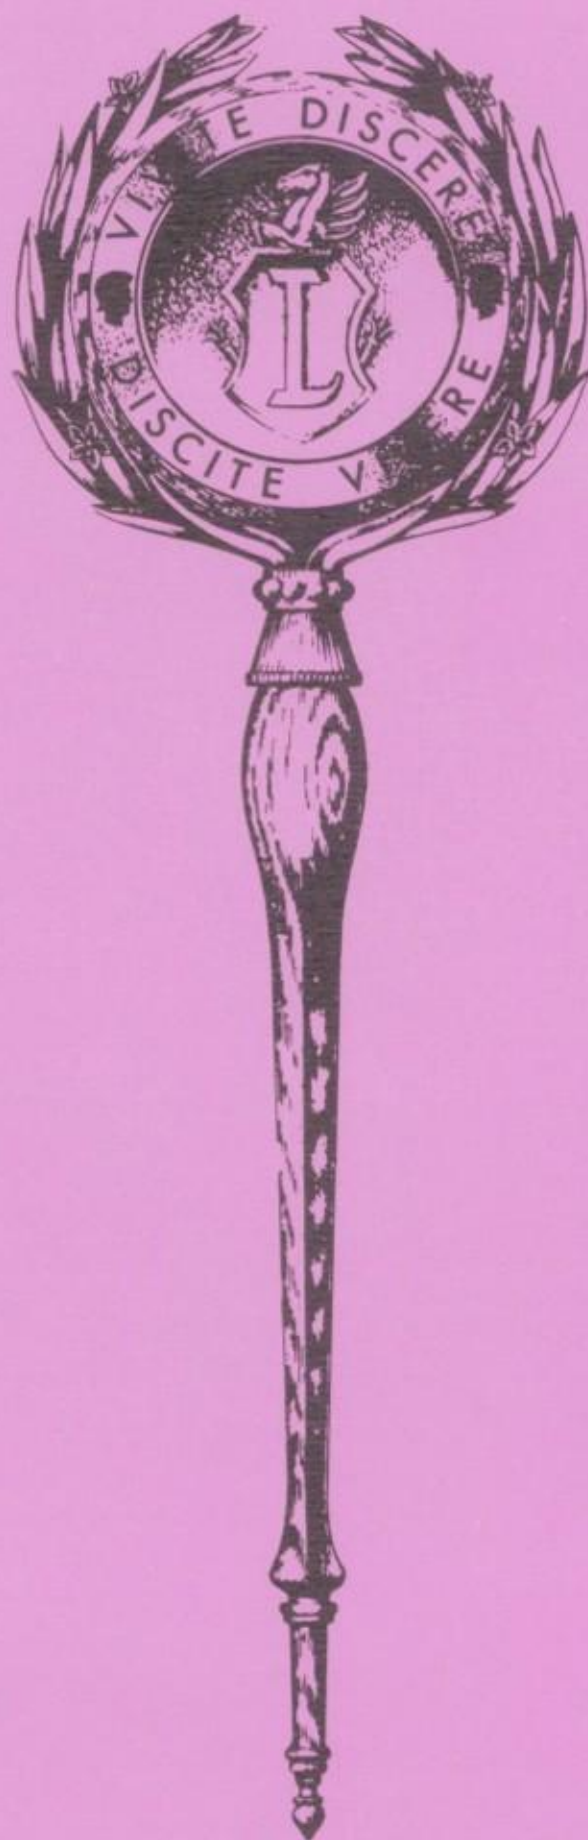

Lakeview's underclassmen search for the reality that the day has to offer. This search begins with the freshmen who enter, anxious for the new and fearful of the unknown. As the sophomores gain an understanding of this unknown they de-

velop an air of confidence which assures them of their rank within society. These experiences create the juniors who have the wisdom to be humble. They realize that the fruitful tomorrow is attained through the productive today.

Juniors

Realizing that a fruitful tomorrow is obtained through a productive today, the juniors, using their past experiences, set out to obtain their goals. Striving for perfection, the junior class worked diligently to boost the Youth For Understanding Week far beyond its set goal. To ease tensions after the mid-term finals and report cards, the annual Junior Prom was sponsored with the theme "Paradise Lost".

From past experiences the class knew that one did not work for the class alone but for the entire school. Realizing this responsibility they combined their efforts to co-sponsor a computer dance. The proceeds were donated to the football field. With the guidance and direction from Mr. Joe Kurti, the junior class proved that they were ready to accept the upcoming responsibilities of seniors.

Juniors studying industriously during exam week.

Sophomore Officers: Treasurer Jany Addison, president Bob Marsh, vice-president Steve Holt, secretary Pat Bilanow.

Sophomores

Development and confidence were two factors found throughout the year in the class of 1969. The class started out short of funds, but ended the year with about \$700.

A class council consisting of twenty class members met once a week. It acted as an advisory board to the class officers.

The sophomores unified their class by such projects as making pompoms and badges to promote school spirit and to raise money. The guidance of the class advisor, Mr. Harry Carruth, and the leadership of the capable officers brought the class closer together and made their year a success.

Mr. Carruth, sophomore advisor, makes suggestions on a class project.

Freshmen

Anticipation for the new seemed to outweigh the fear of the unknown as the freshman class joined Lakeview school life. Although a little bewildered and amazed by many clubs, organizations and pep assemblies, they seemed to accept their responsibilities. Battling for recognition they worked together successfully to break the sophomores' tradition and win the Youth For Understanding banner.

Under the direction of Mr. LeRoy Shook, the freshmen class made new adjustments and they began to select their courses for a successful and productive high school life.

Mr. Shook, freshman advisor, discusses plans for a class project.

Students exchange interests in art and physical education through discussion and example.

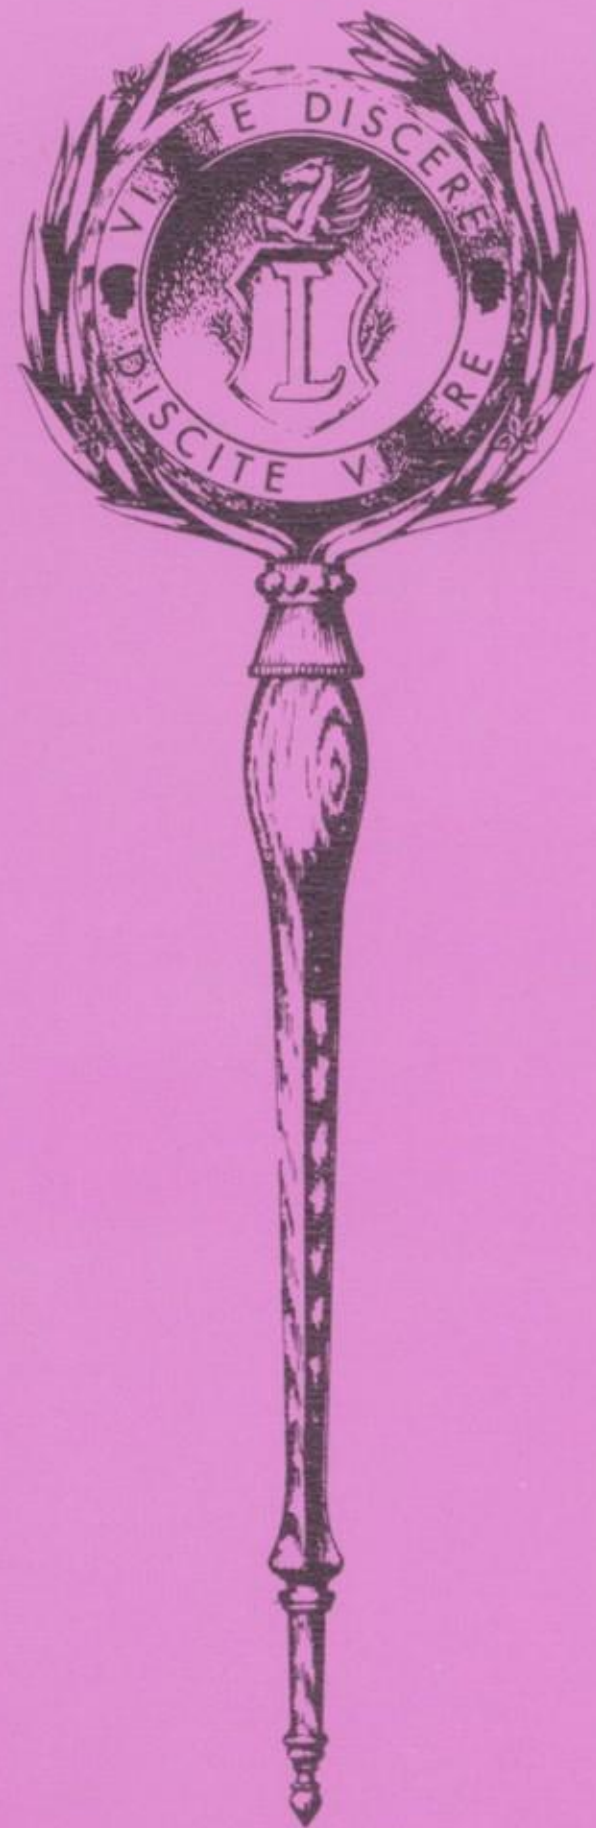

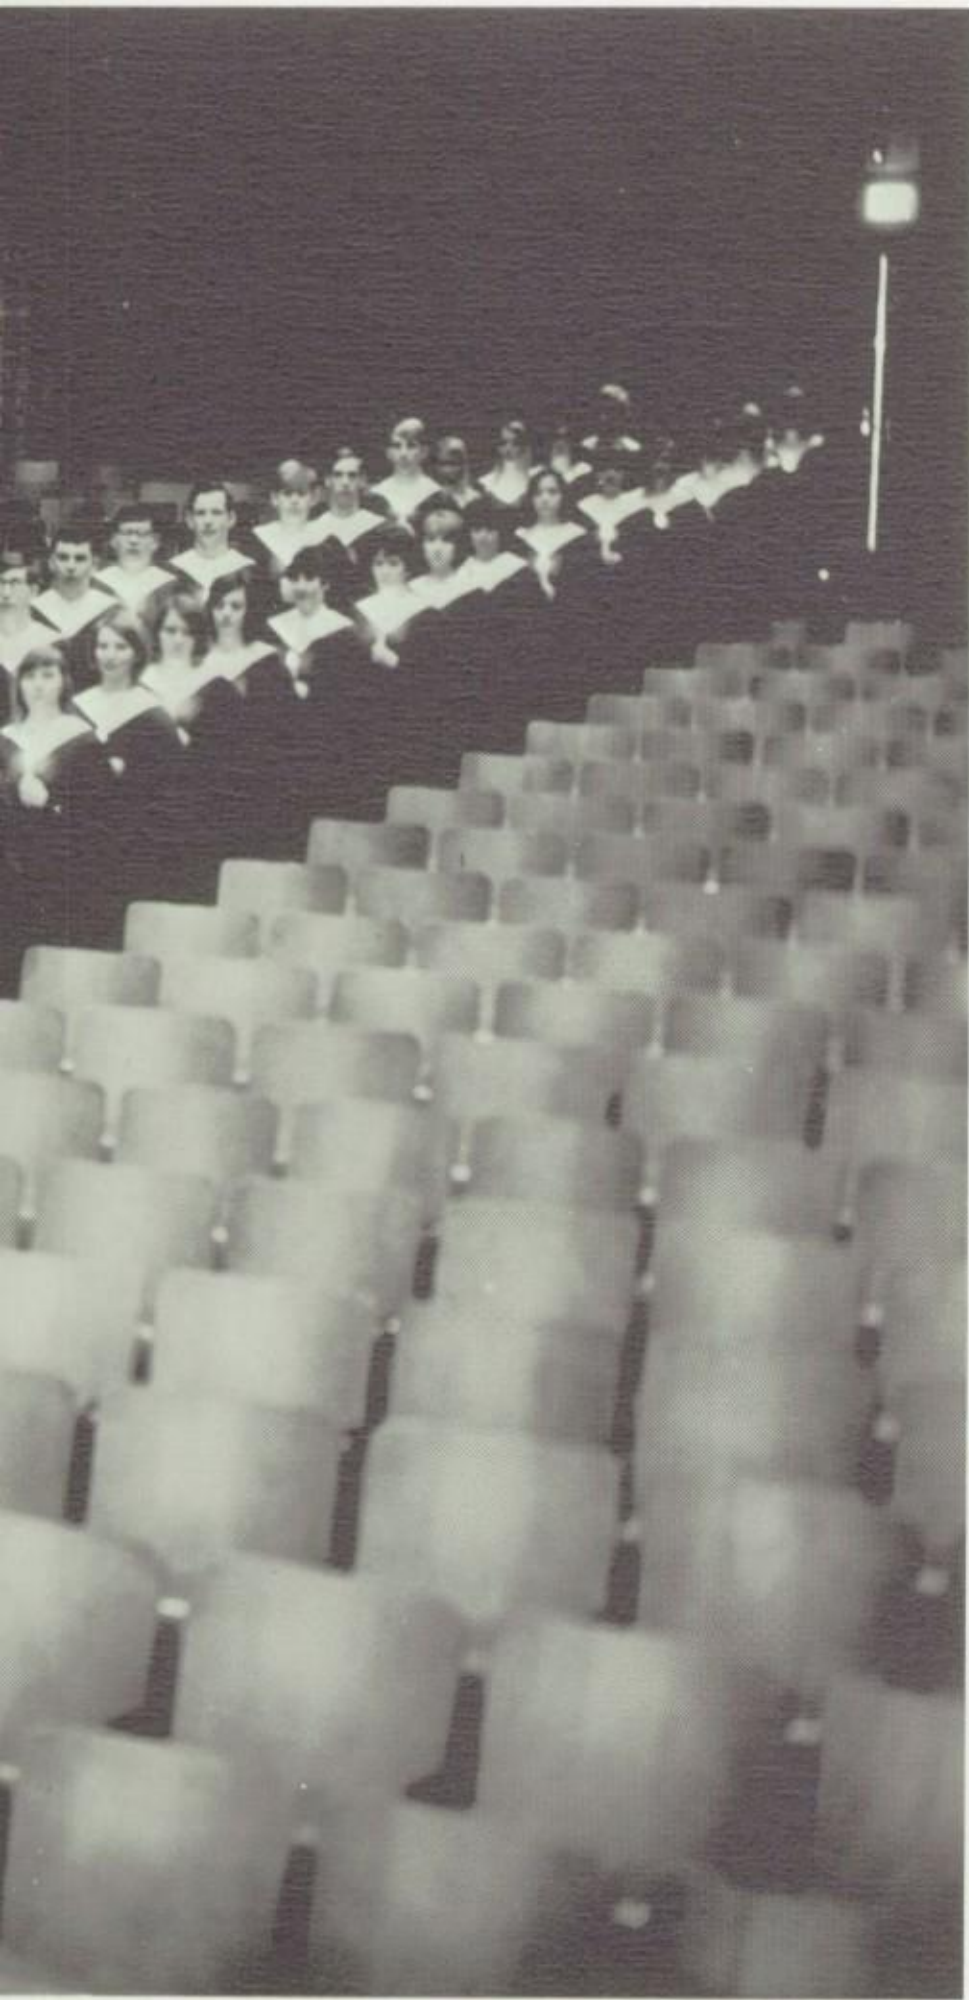

Lakeview's clubs and organizations provide the atmosphere necessary to create well-rounded individuals. There is a variety of motives and objectives ranging from improving skills to raising funds for club projects and for the service of others. Language clubs emphasize greater understanding of foreign countries through study of their customs and cultures. The community is served

through projects such as the March of Dimes bread drive sponsored by the Student Council and the business clubs.

Students gain awareness of themselves through association with others. Lakeview's 34 clubs and organizations provide ample opportunity for students to pursue their interests and display their talents.

Clubs and Organizations

The Pep Club, Lakeview's largest organization, is filled with many spirited Spartans. Advisor Miss Chipley, president Sandy Bell, and the executive board helped to boost the spirit of athletes throughout the year.

Among its many activities this year were locker signs, the Christmas basket drive, away buses, reserve seat tickets, and Foreign Exchange Student Week.

The officers held executive board meetings where many of the imaginative and highly ingenious ideas of the Pep Club originated.

Pep Club members work hard making signs for Friday assemblies.

LOG STAFF

From days of chaos and confusion came the 1967 LOG. New and creative ideas were drained from the minds of the second year journalism staff. Breaking of tradition plus dramatic changes created an original and long awaited yearbook. The prime goal of the staff was to present a memory for the graduating seniors to recall their years as Lakeview High School students and to give a history of the year's events to the underclassmen.

This workshop scene is typical of when the LOG staff has deadlines to meet.

CRYSTAL STAFF

Each year finds a new group of energetic individuals working diligently to produce a high school newspaper. The Crystal, or Journalism I, is an academic and an important extra-curricular activity of its staff.

The staff soon learned that their task involved a mixture of hard work, worry, pressure, and satisfaction. The satisfaction came when the papers were issued semi-monthly to the students. From room A-23 came the "Crystal" and from the Crystal came clearer and brighter visions of the field of journalism.

G.A.A.

The Girls Athletic Association is designed to give all girls an opportunity to participate in the world of sports. Girls may participate in many different sports such as basketball, volleyball, tennis, softball, golf, and badminton.

Through the year this organization has conducted many worthwhile projects including the Girl Date Boy Dance held in the Spring, Mom's

and Dad's Night, Spring Play Day and the annual Christmas Party.

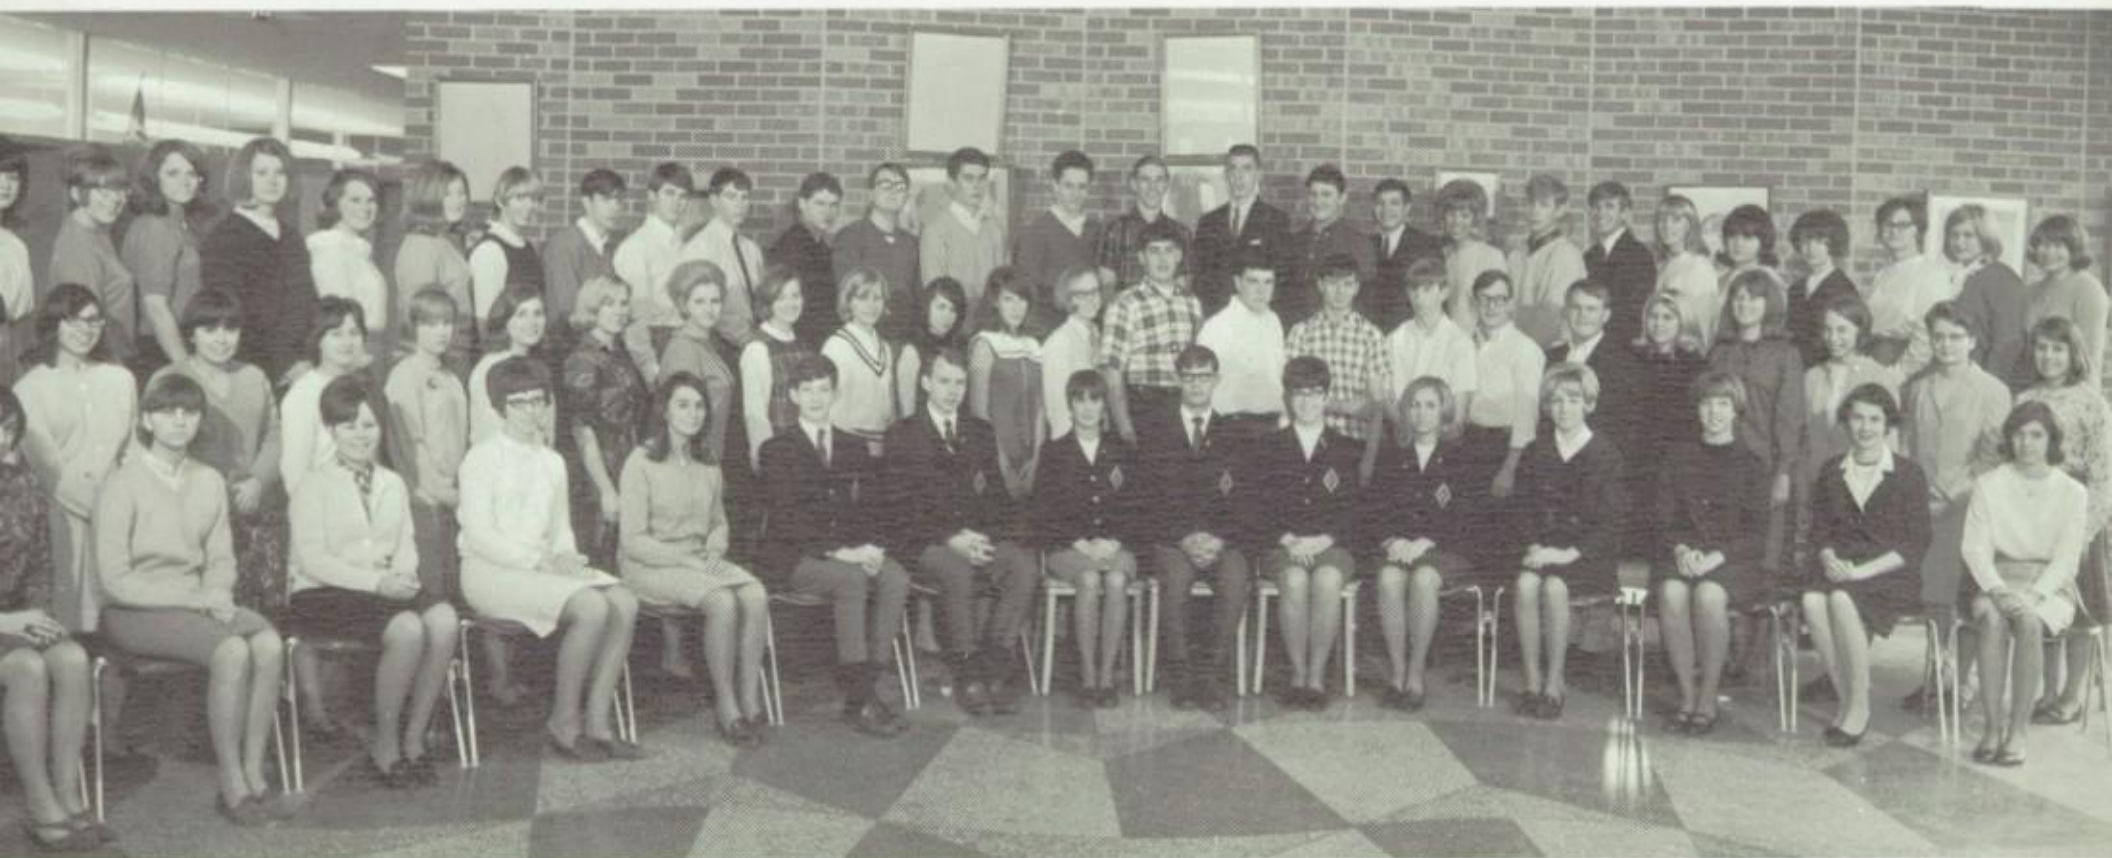

This year's president is Karen Holt and the vice-president is Sheri Shafer. They worked together under the leadership of Miss Chipley, the advisor. All in all, the G. A. A. has worked together on promoting ideas of good sportsmanship, interest, and the development of good character.

G. A. A. members participate in outdoor sports.

This year the Business Club has almost doubled its membership. Under the guidance of Mrs. Barbara Pitkethly and president Jack Dove, the Business Club has been increasingly active in school activities. Among the events they have sponsored are a car wash, the mum sale, a Christmas drive donation, and a bread sale for the March of Dimes. The club also donated a check to the Fort Custer State Home. The artistic and original showcases seen during the year are decorated traditionally by the Business Club.

DECA

A new club in our school, DECA, Distributive Education Club of America, is open to any student who is in the Co-op program or is a preparatory distributive education student. This club is the fastest growing new club in the school and soon may become incorporated into the Business Club under the name of DECA.

In March the club sent representatives to enter the state contests at Michigan State University for the Co-operative Education Club of America. In January of this year two of our students, Joe Tummons and Mary Jane Svoke, ran for two state offices for the club.

The Student Office Assistants are busy each day helping with the routine work at Lakeview. Each hour there is a different set of girls working in the office. One girl runs the switchboard, two girls take care of the attendance, and the others run errands such as call slips. These girls are most helpful to the office staff and our school couldn't be run efficiently without them.

The Guidance Office Assistants are the girls that, in general, wait on the counselors. They do alphabetizing, filing, mail circulars to parents, and deliver call slips. These girls also take care of the first aid room and administer minor forms of first aid. They do the time-consuming tasks necessary for a well-organized school system.

J.E.T.S. Club

The Junior Engineering Technical Society, better known as the J.E.T.S. club at Lakeview, has been working on a cloud chamber. This is a vessel containing saturated water vapor whose sudden expansion reveals the passage of ionizing particles by a trail of visible droplets. Members have been experimenting with the vapor trail produced by the cloud chamber.

The purpose and activities of the club were planned to help club members explore the possibilities of engineering and technology as a career.

Under the direction of advisor Mr. Robert Kile, and president Bob Owen, the club increased in membership at the weekly meetings.

ROW 2: Gary Gold, Curt Dennis, Bill Otis, Dave Couch, Charles Adamson, Harold Belson, Norm Cornwell. ROW 1: President Bob Owen, advisor Mr. Robert Kile, vice president Tom Dunivin, secretary-treasurer Mike LaLonde.

Radio Club

This year the Lakeview High School Amateur Radio Club was under the direction of Mr. Robert Kile, advisor, and David Worfel, president. The goal of the club members was to receive amateur radio licenses. To obtain these licenses, members spent many hours at meetings learning radio theory and code.

ROW 2: Marcus Henker, advisor Mr. Kile, Gary Champlin. ROW 1: Vice-president Ron Yeo, president Dave Worfel, secretary Terry Smith, treasurer Norm Cornwell.

Students Unite The World With

Lakeview's exchange students this year were Martin Hoehener, Margaret Schwartz, Kirsten Moller, Cornelia Hadamczik, and Per Martin Bostrum.

Lakeview welcomed five foreign exchange students to its enrollment this year. These students quickly assumed the identity of Spartans and became an intricate and vital part of their new school. By observing and knowing these students, Lakeview broadened its knowledge of foreign affairs and made many lasting friendships among our foreign visitors. The new Spartans quickly learned our customs and, in turn, Lakeview became aware of cultures other than those in America. The mysterious gap between countries was closed and Lakeview gained a whole new experience from its honored guests.

U.N. Club

A trip to a foreign country, meeting new families, and learning a new language were a few of the obstacles faced by the students who went to Europe this summer. Everything was strange and new, but the students quickly paced themselves into a new way of life. Excitement filled each day with meeting new people, eating quite different foods, and speaking such languages as German and Dutch. These students made many friends and established a sense of respect between America and Europe. When the day of departure came, home looked very good, but it was hard to leave such wonderful families and such a great land.

"To become aware of the functions of the U.N. and how it can help during an international crisis. To keep us, as individuals, aware of world problems and to give us an opportunity to view other countries' outlooks."

This is the purpose of the Model U.N. Club, under the direction of Miss Virginia Bilbrey and president Madeline Okerman.

By having debates between club members, outside speakers, and members from K.C.C., these purposes were fulfilled.

The highlights of this year was the Mock U.N. meeting held at Hillsdale College in March. The assembly is directed, initiated and carried out by students. Over 80 schools from three states participated.

Summer Youth For Understanding exchange students from Lakeview were Marianne Caluory, Sue Simpson, Priscilla Bachman.

Latin Club

Under the leadership of Mrs. Geraldine Fitzgerald, advisor, and Beth Hopkins, president, the Latin Club strove to learn the effect of Roman culture on our society, past, present and future.

The focus of the year's activities was on the gigantic task of hosting some 25 Latin clubs in southwestern Michigan to the Roman Holiday held April 15. The day's activities centered around the theme of "The Trojan War In Greek and Roman Legend."

Other activities sponsored by the club were membership in the Junior Classical League, a state and national organization of Latin students, the annual Latin Week, during which members of the club commemorate Caesar's death by wearing togas and participating in special events throughout the week, and the state-wide Michigan Classical Spring, an observance commemorating the Classics and their effect on our heritage.

These Roman togas modeled by Latin students are used every year in Latin classes to represent the dress of ancient Rome.

A future teacher will teach a classroom such as this someday.

Future Teachers of America

Future Teachers of America led by president Marty Miller achieved many goals this year. Under the guidance of Mr. Kenneth Krohn and Miss Marlyn DeWaard, advisors, 10th, 11th, and 12th graders received a brief look at the teaching profession. The major activity of the year was the cadet teaching program held at Westlake Elementary School. This activity was available only to juniors and seniors, and consisted of observing and teaching for one hour each week.

Among their activities were the workshops at Michigan State and Western Michigan Universities. The "Apple-for-the-Teacher-Day" was held in the fall during American Education Week.

For Christmas the club gave a pot luck dessert party and during the year they had a car wash and a cake auction to help raise money.

Their program includes presenting a scholarship to a senior who has worked hard and participated in all the clubs activities.

This year, Y-Teens increased its membership by planning many new activities. At the beginning of the year, the club, with their advisor, Mrs. Kitty Thomas, planned a horseback riding trip for this purpose.

During the school year the members visited colleges for a day to attend classes. These colleges included Western, Central Michigan, University of Michigan, and Michigan State.

Other activities during the year included a Christmas party at Fort Custer State Home. The club attended a Mid-Winter Conference in February at Clear Lake Camp. In the spring, the active members spent a weekend in Chicago. They will also attend a Summer Conference in Port Huron.

Library Assistants

The Library Assistants, under the direction of Miss Sandra Skiver and Mrs. Mary Ann Brooks, make many valuable contributions to the Lakeview Library. They review new books available in the library and help students locate desired information. These assistants investigate library science as a career, and they are valuable assets to a well organized library.

DEBATE

Much serious thought and concentration is required before the rebuttal.

This year's debate topic was: Resolved, that the United States should extend foreign aid only to non-aggressive countries. Although determination, research, and diligent work were necessary to debate, the team proved themselves worthy of the name debaters. Under the direction of Mr. Lynn Wallace, the debate team learned new approaches and techniques as well as knowledge.

The debaters gather informally to discuss and compare notes for one of the up-coming debates.

Forensics Participants

FORENSICS

Each year Lakeview chooses a group of students to participate in Forensics Speech Competition. The students are chosen mainly from debate and speech classes, but any interested person may enter.

This year, eighteen people entered in this competition.

A few of the categories are, humorous reading, serious interpretive reading, original oratory, and declamation.

This event is co-sponsored by Miss Ellen Harvey, drama coach, and Mr. Lynn Wallace, debate coach.

Members of forensics meet to learn helpful suggestions for their own speeches in hope of placing in the annual speech contest.

Suggestions are sometimes hard to absorb, even when they are for the best.

Student Council

A change of leadership, as Bob Sabin, the president-elect, left Lakeview, and Karen Crumpton, the vice-president, took over the office of president, was a sign that it was going to be a year of change and activity in student government. The 1966-1967 Student Council put into action many of the ideas that had been discussed in councils for many years.

Under the direction of Martin Ball, advisor, the Student Council undertook the monumental task of beginning to raise the money for our football stadium. One of the projects heading toward this goal was Lakeview's first computer dance.

Early in the year an assembly was held giving students the opportunity to question the Student Council and administration about conditions in the school and air their opinions about attitude in general. As a result of this assembly the Student Council formulated a new set of dance rules for after-game dances to present to the administration.

The Student Council undertook many new projects this year, but it also continued its traditional functions such as maintaining the snack bar, purchasing a gift for the school, and sponsoring the basket and bread drives.

Under the guidance of advisor Miss Sally Steketee and president Pam Kerr, the Spanish club worked to create an interest in the language and people of the Spanish speaking counties.

During the year, the Spanish club sponsored a hayride, and ate at a Spanish restaurant. To celebrate Christmas in Latin American style, the club broke a pinata at their Christmas party.

The club also sponsored a dance and other projects to raise money for a summer trip to Mexico.

French Club

This year's president, Jim Prickett, and advisors, Mr. Deane Harsha and Mrs. Sally Austin, helped guide the French Club through one of its most enjoyable years. The purpose of French Club is to enable each member to get a better understanding of the French people, their culture and their customs. The French Club made an annual trip to Chicago to visit the museums and to enjoy the cuisine of an authentic French restaurant.

Future Homemakers

F.H.A. members at work.

The F.H.A. actively encouraged a growing appreciation for the joys and satisfaction of homemaking through many worthwhile projects.

At Christmas, club members baked 146 dozen cookies for the Veterans Hospital, and later in the year, they made stuffed animals and puppets for the Welfare Agency.

Under the guidance of club advisors, Mrs. Alberta Hawkins and Mrs. Luella Tupper, the girls also sponsored a mothers' tea and a hayride in November.

The club as a member of the international organization, promoted F.H.A. week in Lakeview and hosted the international banquet.

Several of the girls attended the state convention in Grand Rapids, and Linda DeWaard, the club president, was a regional officer representative to this meeting.

Future Nurses

The members of the Future Nurses Club are proud to be "leaders in white." Under the direction of Mrs. Billie McClellan, the girls went Christmas caroling and happily donated their time to make tray favors for the Children's Hospital. Some of the girls worked as Volunteers at Community Hospital. In performing this task, the future nurses found that to be nurses they must be dedicated in their work and make many sacrifices. They also worked to achieve their goal of a trip to the University of Michigan Hospital.

A food sale was just one method of making money for the Future Nurses.

The Aqua Sprites club was formed to inspire competition and individual effort to excellence. The members were chosen from applicants on the basis of their swimming ability. A show in the spring was used to demonstrate success in learning the intricate forms of synchronized swimming, built on proficiency and teamwork.

Under the guidance of advisor Mrs. Hepler, student production director Priscilla Bachman, and swim director Pam Kerr, the 1967 show was presented April 13, 14, and 15.

The Club is presided over by co-presidents Jim Moody and Jack Powers. The Club worked toward a chess invitational which included all of the area schools.

Concentration is a vital asset to a chess player.

A Cappella Choir

With a voice of singing, the A Cappella Choir, composed of some ninety of Lakeview's finest vocalists performed at the Homecoming, Thanksgiving, and Christmas assemblies, the Christmas Concert, Baccalaureate, and the Commencement exercises. Their beautiful words in song enriched each of these occasions.

The choir participated in the annual District Contest, and the Southwestern Michigan Music Festival. Many of its members took part in the Solo and Ensemble Contest and the Winter Fantasy.

Special emphasis during the year was placed on raising funds to send eligible choir members to summer music camps and clinics.

Lakeview High School Orchestra

The Lakeview High School Orchestra is an organization which develops cultural appreciation and music precision in its members. Under the instruction of Mr. Ritters, the orchestra helped increase music appreciation in the entire student body through their performances in the annual Thanksgiving assembly and other concerts.

In the past, the orchestra has sent two of its members to summer workshops at Interlochen National Music Camp. Money raised through its concerts, a car wash, and contributions made this event possible. The individual members of the orchestra are encouraged to participate in the Spring Solo and Ensemble Festival at Western Michigan University.

Mr. John Ritters leads the high school orchestra in practice.

Majorettes are Barb Reed, Karen Barr, Barb Kratochvil, and Sandy Nulf.

The girls who perform with conference flags during Football halftime shows are Kathy Brown, Lunice Alagia, Sally Bahlman, Kathy Fowler, and Janet Raber.

Lakeview High School Marching Band

The Lakeview High School Band provided musical backgrounds for school and community activities. Under the direction of Mr. Carl Moore, the Concert Band played at winter concerts both for the school and the general public.

In addition to entertainment, the band provided support and gaiety at football and basketball games, and pep assemblies. The Band achieved a new look this year as they proudly displayed their new uniforms during half-time performances at football games.

Band president John Cain provided capable student leadership for the Band during the school year.

Spartan Band

Spartan Band—The Spartan Band is composed of underclassmen who look forward to the day when they will be able to participate in the Marching Band. These determined students spend many long, hard hours practicing with their director, Mr. Carl Moore.

During the school year the Spartan Band marched in the last football game, played at Kalamazoo festival, and entertained for patients in the V.A. Hospital.

Flag-Girls—Dressed in purple and white, the Flag-Girls are an added addition to the Band. They march along with the majorettes and perform with them during half-time at football games. Each girl carries a flag which represents one of the schools in the South Central Conference.

Mr. Moore is energetically directing the Freshman band.

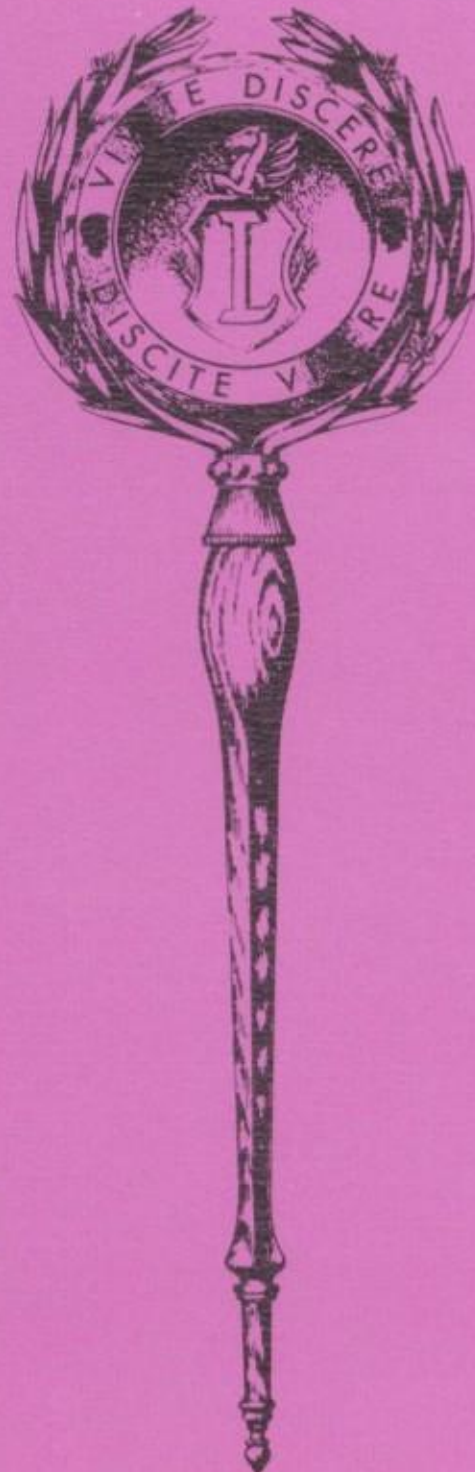

SPORTS

Through sports, participants develop physical and mental alertness; spectators learn the true meaning of school spirit.

Believing this to be true, administrators, faculty, and students work together to give Lakeview the best athletic facilities possible.

Lakeview's outdoor athletic facilities are up and coming; we have one of the finest all-weather tracks in the state. The track encompasses one of the brightest hopes for the future of our sports program, a new football stadium. When necessary funds for lights and stands are raised, this hope will become a reality. Rounding out our outdoor accommodations are six new tennis courts and an excellent baseball diamond, which hopes to have dugouts added.

Our major indoor athletic facilities consist of a spacious gymnasium in which 2,500 spectators may watch either basketball or wrestling, and an olympic-size pool which serves both school and community with a seating capacity for over 500. The locker room space is becoming inadequate because of the growing enrollment, but when additions are made to the building this problem will be alleviated.

An eager group of boys, an enthusiastic coach and a loyal student body were the major factors attributing to this year's football team which compiled the best record since the 1961 season.

Coach Buzz McNally and assistants, Tad VanderVoort and Jim Ritter guided the Spartans to a 4-5 won-loss record. The team was led by co-captains Chuck VanHuysen and Dick Hoffman who constantly kept the morale high.

J.V. And Freshman Gain Experience

A 1-6 record fails to reveal the true story behind this year's reserve squad. Although hampered by injuries, the J.V.'s showed a fighting spirit throughout the season.

Head coach Stan Williams and assistant Jim DeWeerd led the team through the tough schedule.

The highlight of the year occurred when the Little Spartans tore the Portage Central team apart 41-0. Coach Williams termed the victory as an all-out team effort.

Highlighted by a 60-13 victory over the Marshall Redskins, this year's Freshmen fought to a 5-1 record.

Head coach Jerry Hepler and assistant Carroll Jensen taught the basic fundamentals to a team which showed the promise of a strong future.

The only loss this season ended a twenty game winning streak stretching over a four year period. The defeat came at the hands of Portage Northern.

Catch Us-If You Can

Coach Stroup's harriers were led by Norm Cornwell in compiling a 6-3 won-lost record.

Cornwell was out in front for the Spartans in all dual meets and lowered his school record from 10:05 to a blistering 9:57 for the two-mile layout.

The Spartan "pack" downed many once-prominent foes. The Lansing teams fell victims to the onrushing Spartan pack. Marshall, on its home course, suffered its first defeat in the history of their school at the hands of our harriers.

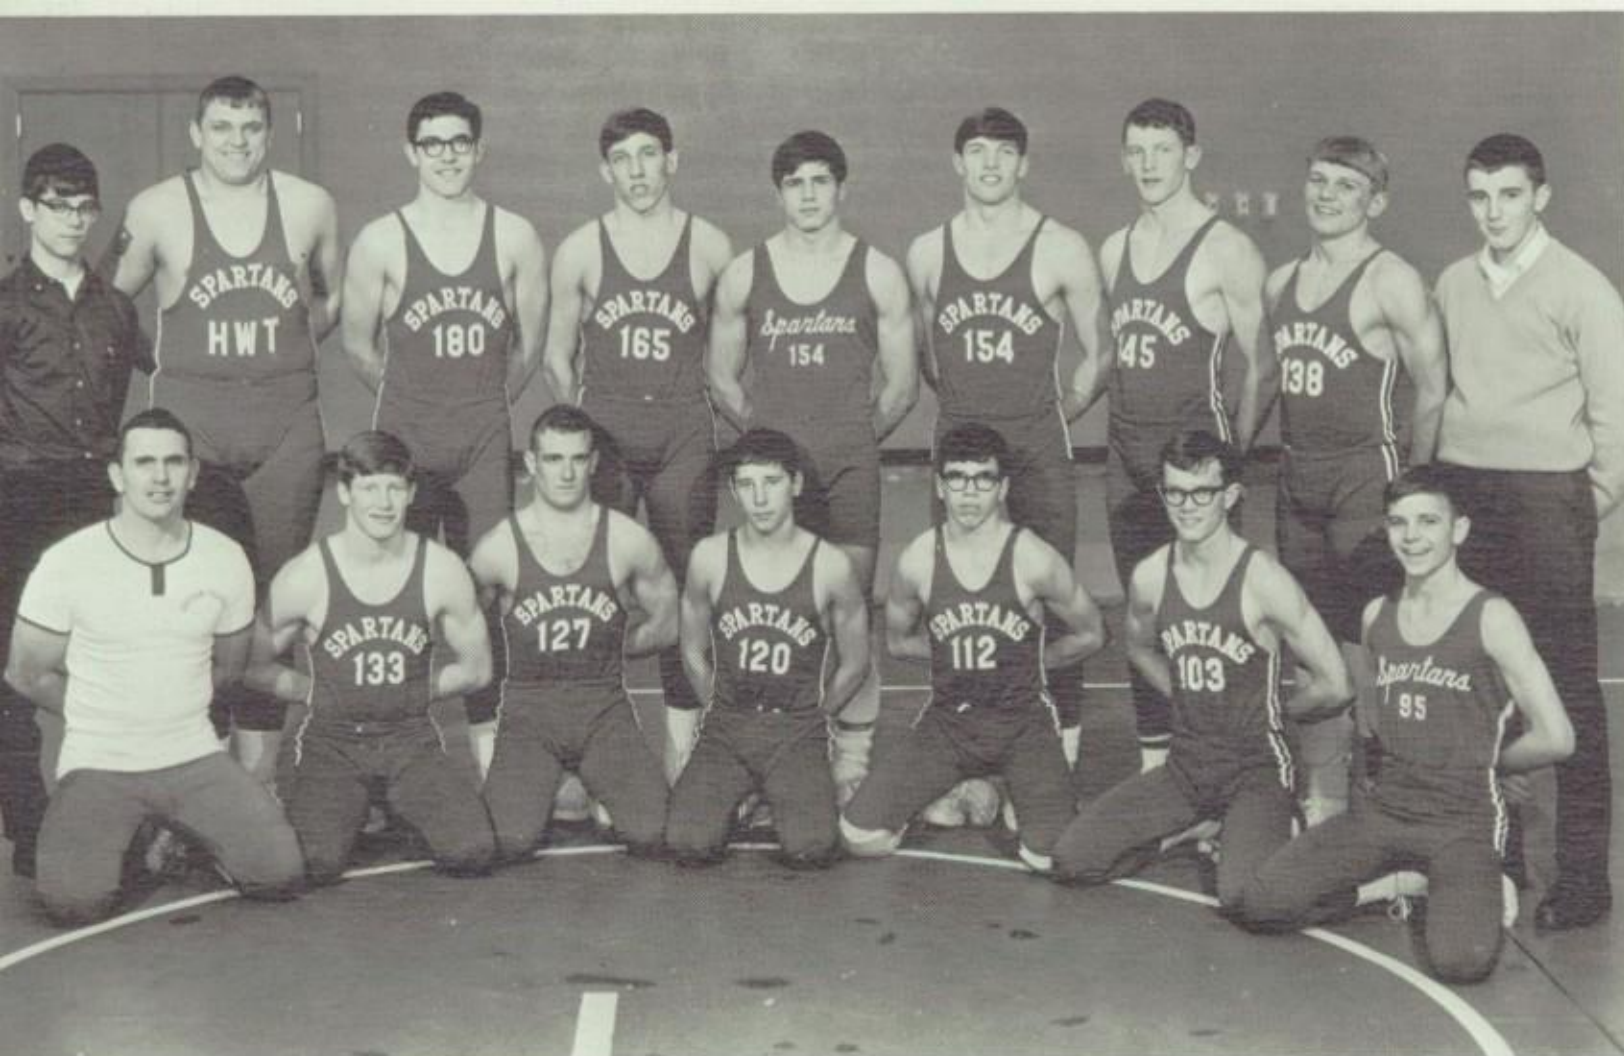

Cross town rival, Battle Creek Central, was trampled beneath the harrier's pounding feet.

The Junior Varsity completed a highly successful season with a 5-4 won-lost record, promising next year's cross country team a hopeful future.

Wrestlers Finish First Undefeated Season

This year's varsity wrestling team finished up the dual-meet season with an unblemished 12-0 record. The squad's other achievements were the winning of the Kalamazoo Invitational, placing second in the Lansing Invitational, scoring an overwhelming victory in the Hastings classic, placing third in the conference, second in the Regionals and 11th in the State.

The team was led by co-captains, Dave and Dennis Buford. The Buford brothers together compiled a record of 57-8. Junior, Dick Barnes went

undefeated during the dual meet season and finished the year with a 29-3 slate.

Seven Spartans placed in the Regionals and went on to wrestle in the State Finals. They were Ed Finch, Dave Buford, Dennis Buford, Jim Bosscher, Bruce Bilanow, Dick Barnes, and Rex Bruns. Dick Barnes and Dennis Buford finished third and Dave Buford took a fourth.

In the four years that Jerry Hepler has been head coach of wrestling at Lakeview, the team has scored an overall record of 42-6.

Senior Grapplers

The mainstay of this year's varsity squad was the seniors, who compiled an overall senior record of 131-47-4 and led the varsity to its first undefeated dual meet season.

This year's senior wrestlers were Ed Finch, Dave Buford, Jim Bosscher, Dennis Buford, Denny Rizor, Bruce Bilanow, Dick Hoffman, John Koerner, and Roger Gale.

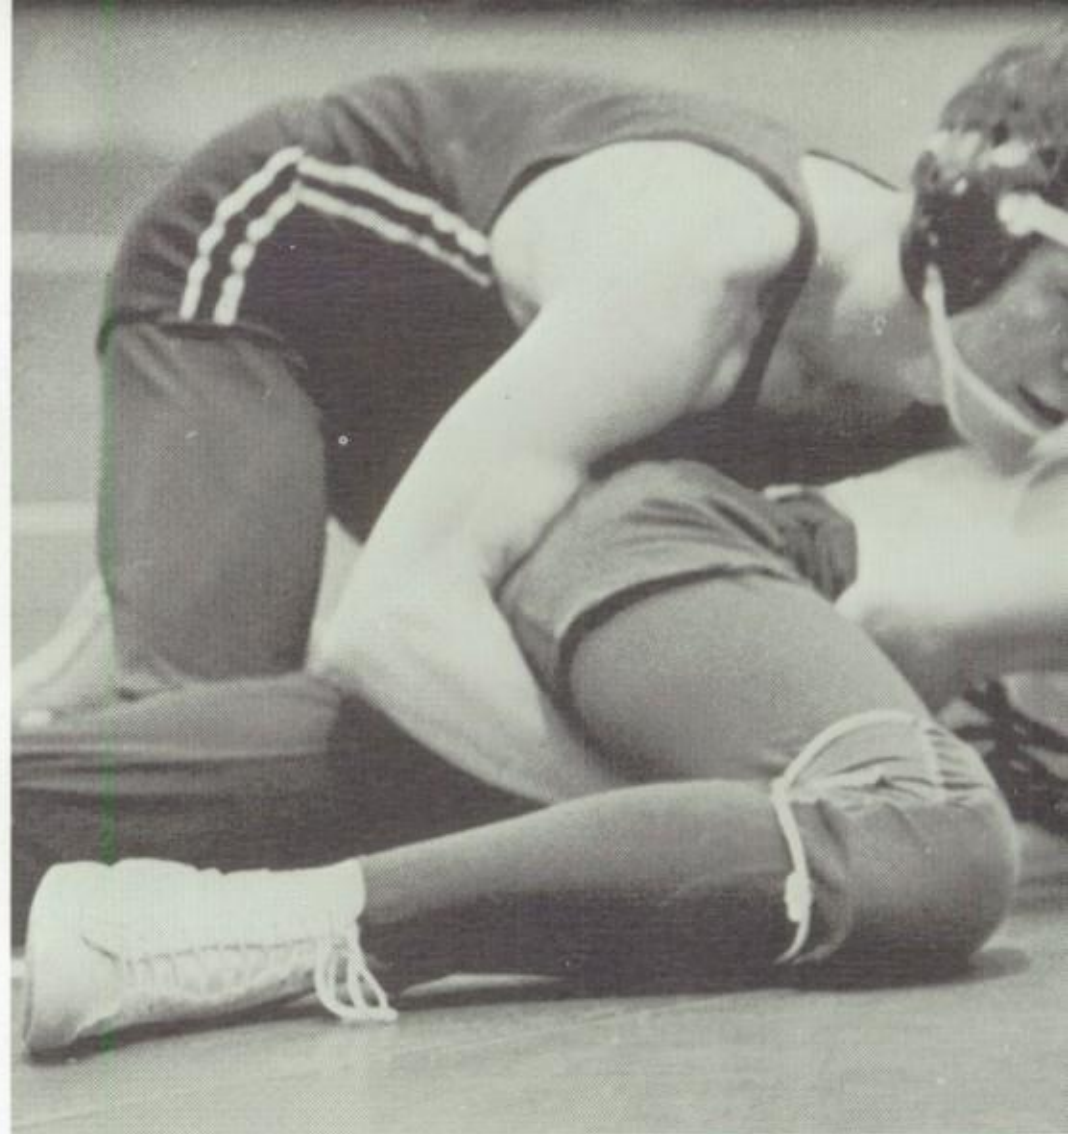

Dennis Buford led the team in victories with 30 while brother Dave had 27 wins. Other outstanding grapplers were Ed Finch and Jim Bosscher who had 21 wins each and Denny Rizor who won 20 matches.

The seniors' desire and attitude gave the underclassmen a worthy example to follow.

Jim Bosscher is congratulated by American Legion representative after placing second in the Lansing Invitational.

Reserves Chalk up 10-2 Mark

Led by a strong quintet of juniors, this year's junior varsity ran up an impressive 10-2 record.

Dan Cornwell, Rick Zimbleman, Pat Craig, Denny Phelps and John Rea formed the nucleus of this year's squad.

Craig led the team in pins with four and Phelps led the junior varsity in victories with twelve.

Rick Rizor, freshman, was another standout on the team with an excellent 9-0-1 mark.

The highlight of the season occurred against Albion when the reserves won 52-0. Albion failed to score a single point against Lakeview in any of the individual matches.

Cagers Tie For Conference Honors

Spartan's floor general, Mark Shook, proved to be a big man in several games with his timely jump shots.

A veteran team, composed of nine returning lettermen, captured Lakeview's first S.C.C. championship in basketball in the school's history.

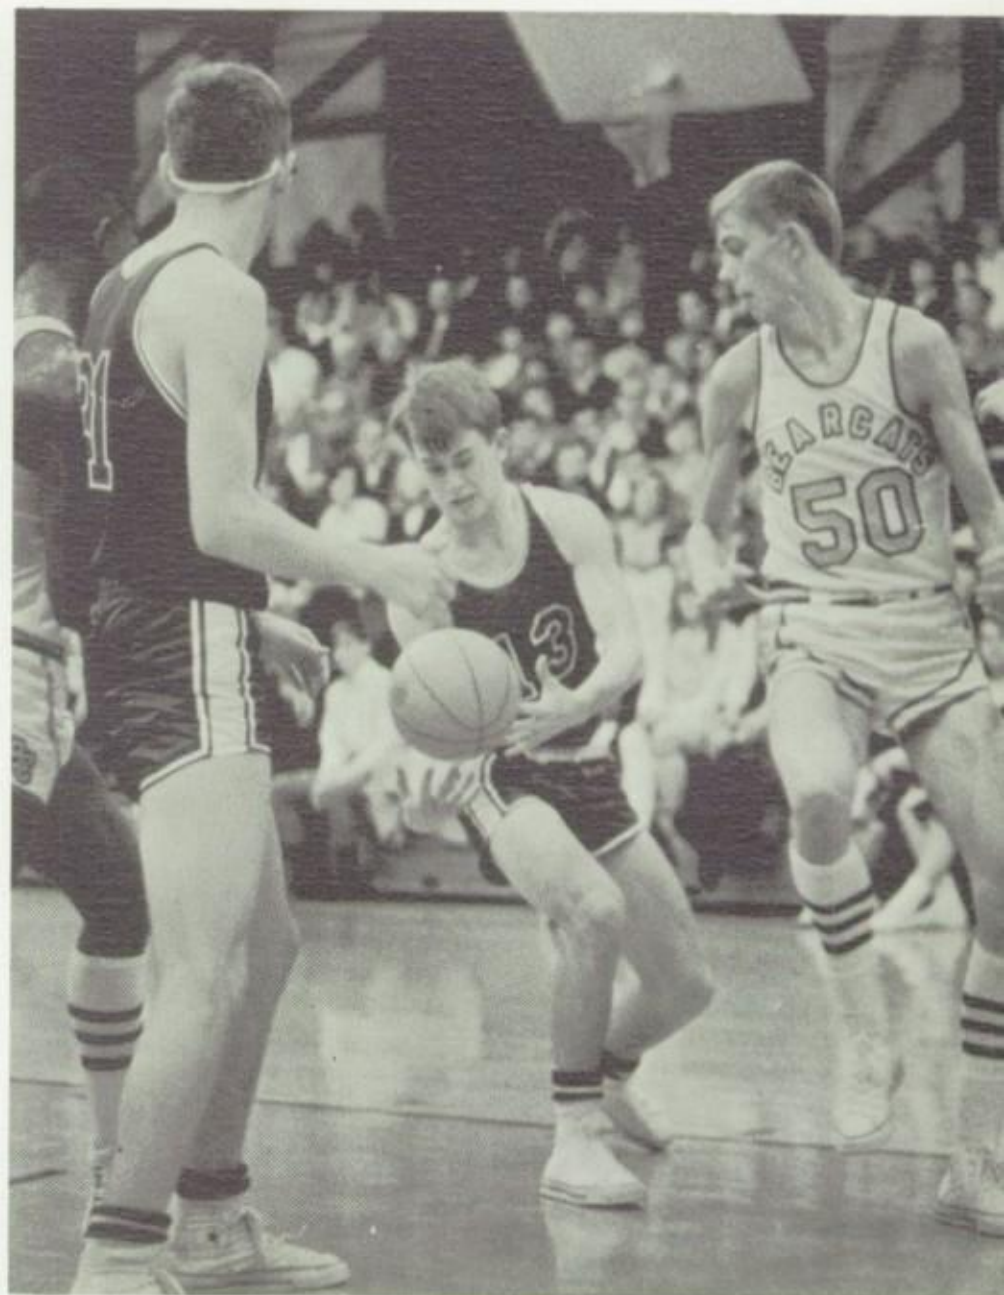

The cagers started out slow but finished strong with an 11-6 overall mark and gained a share of a conference co-championship with East Lansing.

Coach Hamilton's cagers' prized triumphs were the 64-62 victory at Adrian, after being down by 13 points at halftime; the thrilling 50-49 win at Everett and then the cagers 73-60 home court crushing of the Vikings; and the season's last game win at Jackson Parkside over the Eagles 62-53, which enabled the cagers to gain a share of the S.C.C. crown.

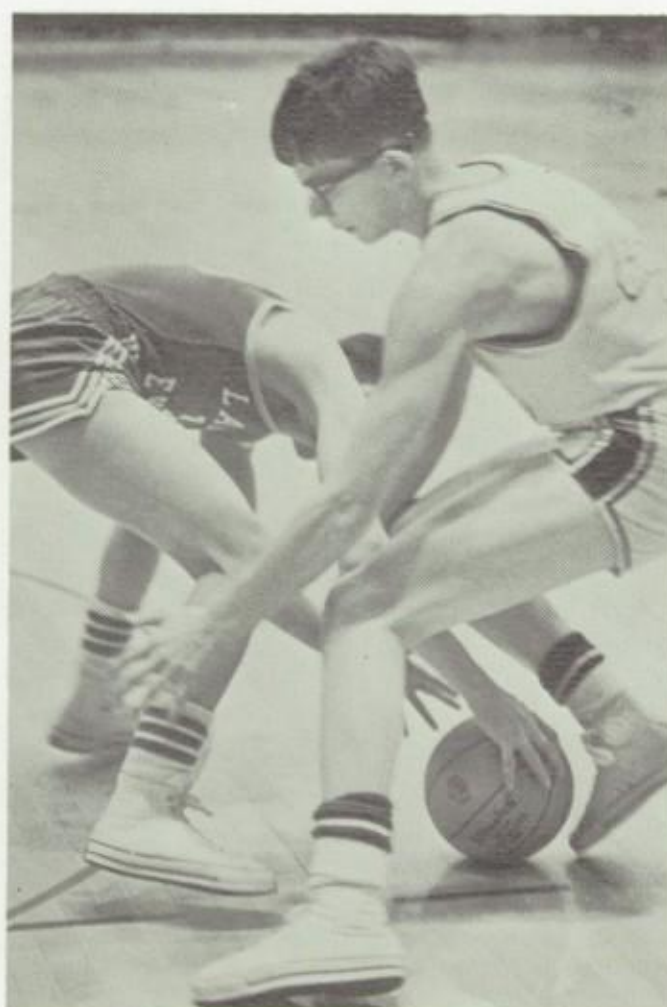

Randy Curtis led the team in scoring with a 13.8 average, followed closely by Andy Peck's 13.7 average per game. Mark Shook led in assists with 62. Curtis was also high man in the rebound department with 151 rebounds to his credit.

J.V.'s Record 14-2 Mark

The "Little Spartans" of coach McNally attained the best record for a J.V. team in the school's history. The Reserves also set records for the most points scored in one game, with their 92-60 triumph over Adrian, and longest winning streak at 11.

The Reserves tied Jackson Parkside for the second straight year for the conference crown.

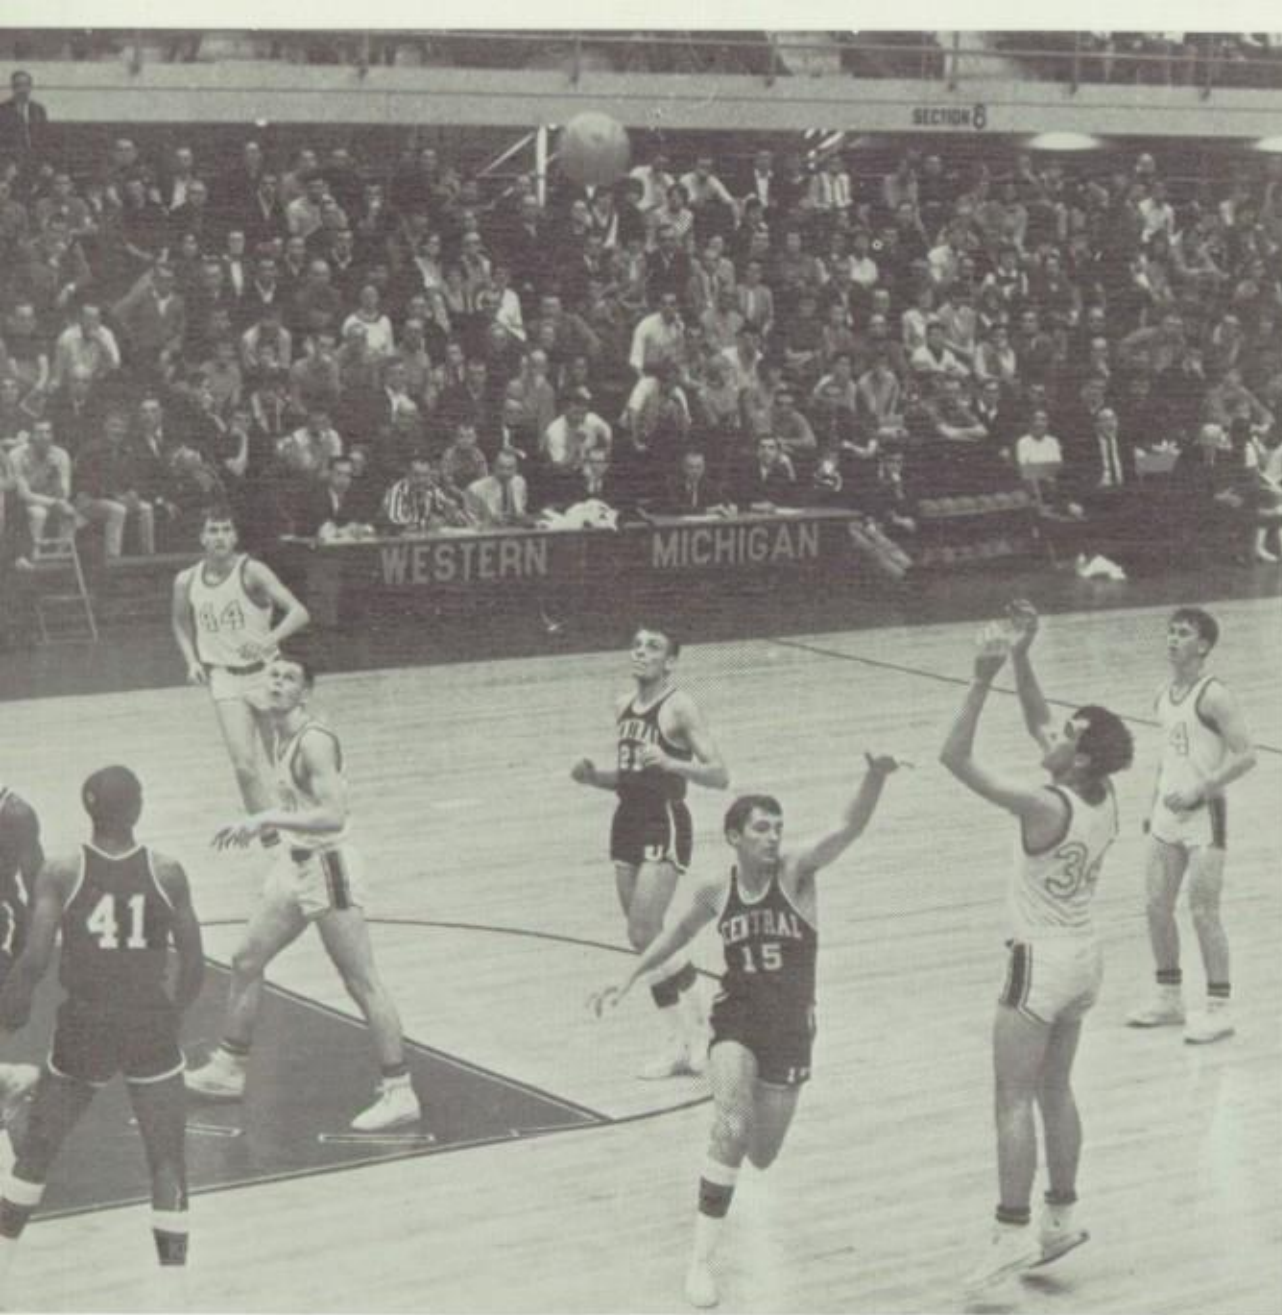

The Reserves' two defeats were a 56-54 squeaker to East Lansing and a 53-40 setback at Parkside.

Using a scrappy defense, the Reserves outscored their opponents 1004-761, letting only two teams score over 60 points. Both 60-point efforts came in Lakeview victories.

Mark Ozello led in scoring with a 16-1 average, in rebounds with 189, and in assists with 42. Other standouts were guards Jeff Sovern and Dan Frever.

The 1966-67 freshman basketball team garnered a perfect 12-0 record.

In sweeping past their opponents, the Frosh amassed a total of 814 points to their foes' 464 points.

The squad was led in scoring by Bob Palmer and captain, Larry McDonald, who averaged 16.2 and 14.4 points per game respectively. Ken Bilbia emerged the top rebounder.

The season's highlight came in the last game with Albion. Bob Palmer's jumpshot with three seconds to go in the overtime provided for the 54-53 winning margin. A year ago Albion spoiled the Frosh's chances of going undefeated by beating them in the last game of the season.

Tankers Tie Trenton For State Crown

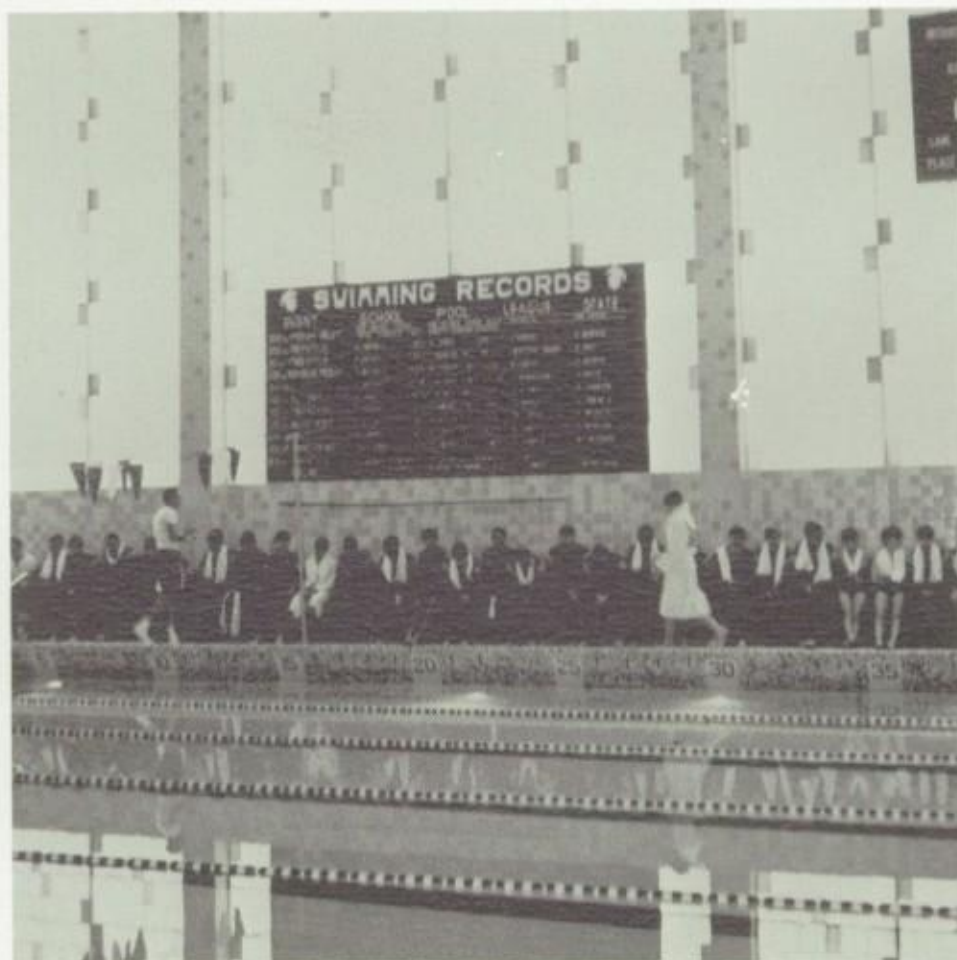

Lakeview's first state championship, in any sport, was captured by Coach Dave Diget's varsity team when they tied Trenton for the state swim title.

The Spartans earned their share of the title when Lakeview's 400 freestyle relay team of Steve Mitchell, Eric Morse, Dave Wilson, and Mike Campbell touched home first in the new school record of 3:24.18. Second place, Allen Park, was timed at 3:27.81 in the final event of the state meet, far behind the Spartan relay team. Mitchell in leading off the winning relay team set a new school record in the 100 freestyle with a time of :50.3, and he also set a school record with his :56.8 performance in taking second in the 100 backstroke.

Charlie Ryan, finishing second in the 400 freestyle and fourth in the 200 freestyle, accounted for 24 of the team's 80 points. Both his 1:50.9 in the 200 and his 4:01.73 clocking in the 400 are new school records.

The swimmers ended their dual meet season with a perfect 12-0 slate. During the season the team broke 59 school, pool, dual, and conference records. Eight of the school's eleven records were broken. Highlights of the dual meet season were their 55-46 win over East Lansing and their first win ever over Battle Creek Central 59-46. The swimmers also retained the league title for the third straight year.

Coach Diget was awarded "Coach of the Year" honors by the Detroit News. The Detroit News also selected Lakeview's 400 freestyle relay team as first team all state and placed Ryan on second team all state in the 400 freestyle.

Waiting on the sidelines, varsity members receive last minute instructions from Coach Diget before the start of the meet with Battle Creek Central. The Lakeview tankers went on to take the meet by a 59-46 score.

Senior Swimmers: Steve Hart, Archie Crooks, Jim Prickett, Steve Mitchell, Mike Campbell, Chris Shaver, Dave Wilson, Jeff Hodgson, and Eric Morse.

Doug Sholes is congratulated by Archie Crooks after taking the 100 yard back stroke in the Central meet. Dick Ward took second for Lakeview in the other lane.

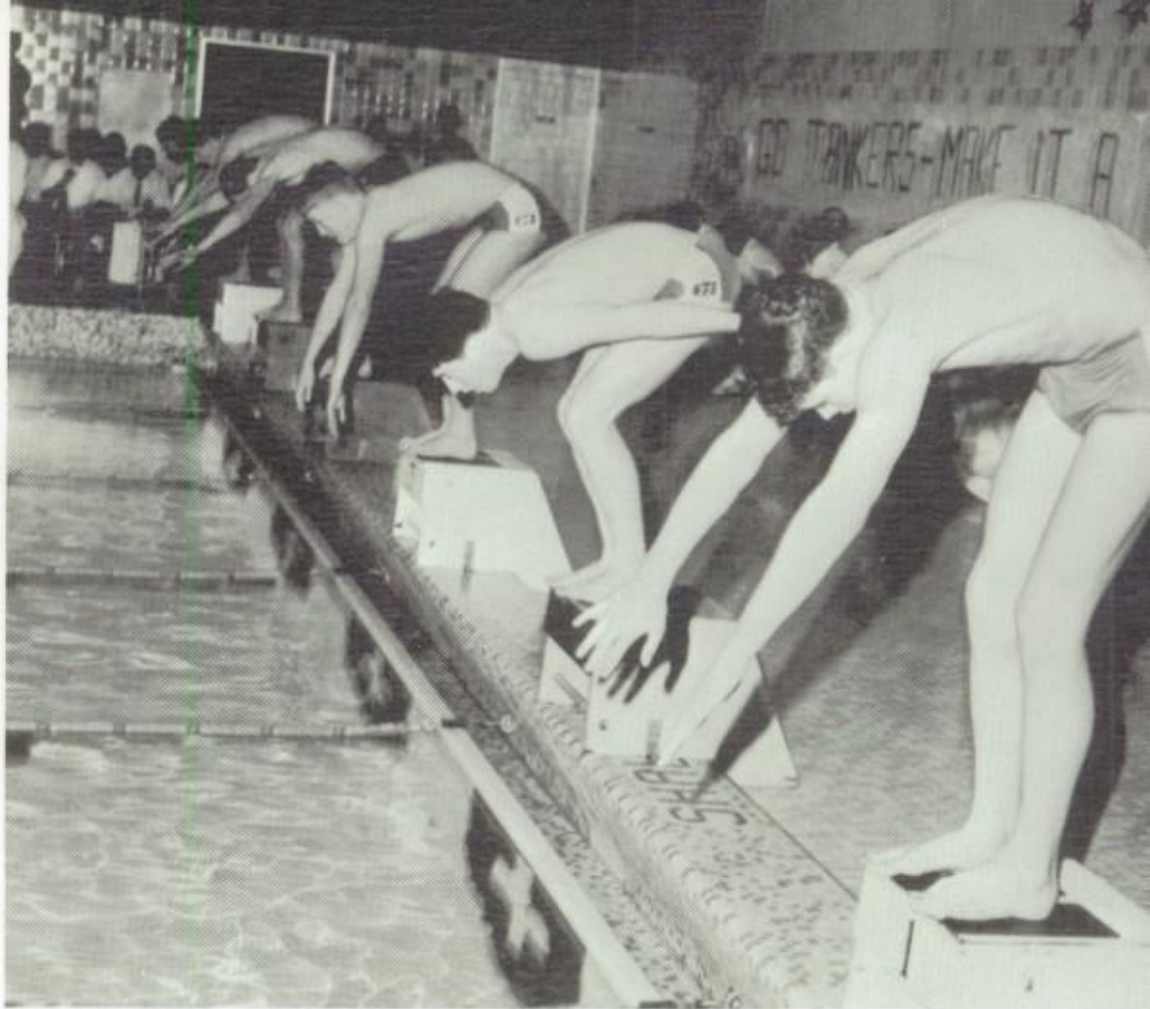

Swimmers Splash To 3rd League Crown

Coach Diget and his swimmers outdistanced all competitors in winning their third straight S.C.C. swimming championship. The Spartan swimmers became the first S.C.C. team in any sport to take their specialty three years in a row.

The Spartans finished far ahead of the conference with a total of 100 points. East Lansing finished second with 75 points, while Jackson Parkside took third on 46 points, followed closely by Adrian with 45 points while Lansing Everett mustered only 16 points to finish last.

Charlie Ryan led the way with his record breaking efforts in the 200 and 400 freestyle. Dave Wilson also broke a conference record in the 50 freestyle in the preliminaries with a time of :23.2 and went on to take the event in :23.3. Rounding out Lakeview's firsts were Mike Campbell, winning the 100 freestyle, and the 200 medley relay team of Doug Sholes, Mike Kimball, Chuck Converse, and Eric Morse.

Tri-captains Eric Morse, Dave Wilson and Mike Campbell worked closely with Coach Diget to make the swim season successful.

The pre-race tension disappears at the sound of the gun and with the action and excitement of competition.

J.V.'s Splash To 2-2 Record

Members of the junior varsity swim team gained valuable experience in their four dual meets and in swimming exhibition in all varsity meets.

The junior varsity split their season by winning over conference foes, Lansing Everett and East Lansing; while losing to Jackson and Battle Creek Central.

Row 3: Manager Bill Tompkins, Dave Byelich, Steve Holt, Jeff Van Nortwick, Jim Kaiser, Martin Bostrom, Jeff Buckenberger, Coach Harry Carruth. Row 2: Phillip Squires, Bill Runels, Darby Cruce, Dave Deacon, Mike Kreps, Frank Masters, Steve McElhenie. Row 1: Pete Werner, Roger Reed, Gary Brownell, Steve Unrue, Dave Birdsong, Rick Wilson.

Sophomore star Charlie Ryan, outdistanced all opponents in the conference meet in taking the 200 freestyle in a record time of 1:52.1 and also took the 400 freestyle in a new school, pool, and S.C.C. record of 4:06.9.

Track Stalwarts

Cindermen Rebuild For The Future

Losing most of last year's top performers due to graduation, Coach Stroup was faced with the task of rebuilding a brand new track team. The underclassmen showed definite improvement throughout the season and promised a bright future for Lakeview's upcoming teams.

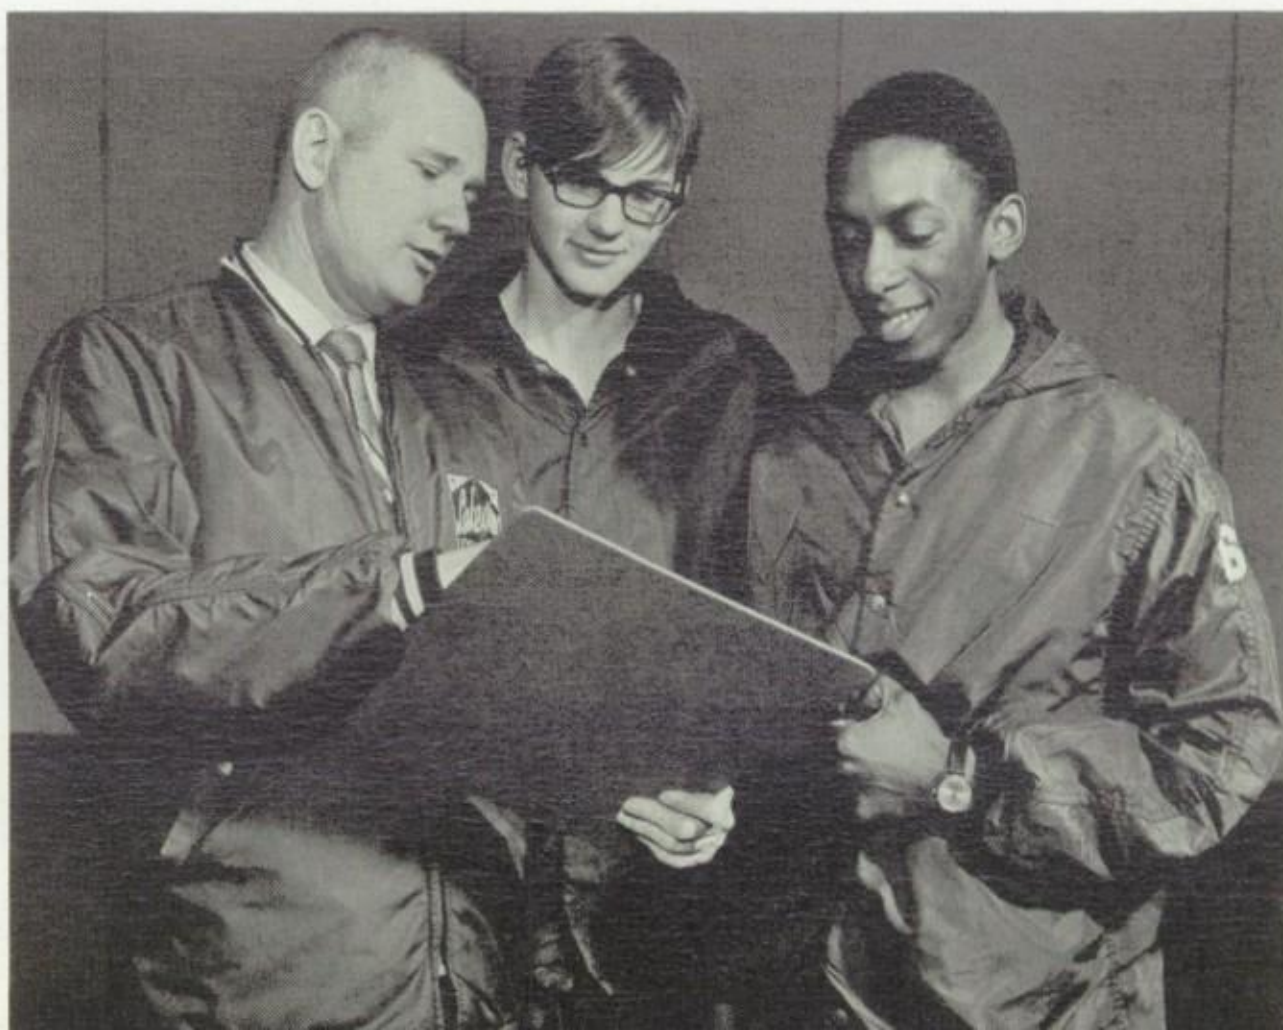

The 440 figured to be one of the Spartan's stronger areas with veterans Ron Alagia and Phil Solami back from last year's squad. Regional champ Norm Cornwell was back to better his record run in the 880. Last year Cornwell had the second best time in the state at 1:56.3 and it's hoped that he might take state honors in his specialty this year. Andy Peck, returning from last

year's squad was the number one man in both the hurdles and the high jump.

Most of the remaining running and field events were up for grabs. The veteran mile relay team which set a new school record of 3:28.4 last year needed a man to fill the fourth spot vacated by Gerard Marshall. In addition to filling vacancies, this year's team had to find four runners to compete in the two mile relay—a brand new event in track this year.

With the guidance of Coach Stroup and the leadership of team captains Norm Cornwell and Van King, the squad was in every meet fighting in the Spartan tradition.

Coach Charlie Stroup reveals season schedule to co-captains, Norm Cornwell and Van King.

Seniors Ron Alagia, Norm Cornwell, Van King, and Dan Waite tune up for the season opener by running wind sprints.

Andy Peck returns this year to compete in his speciality, the high jump.

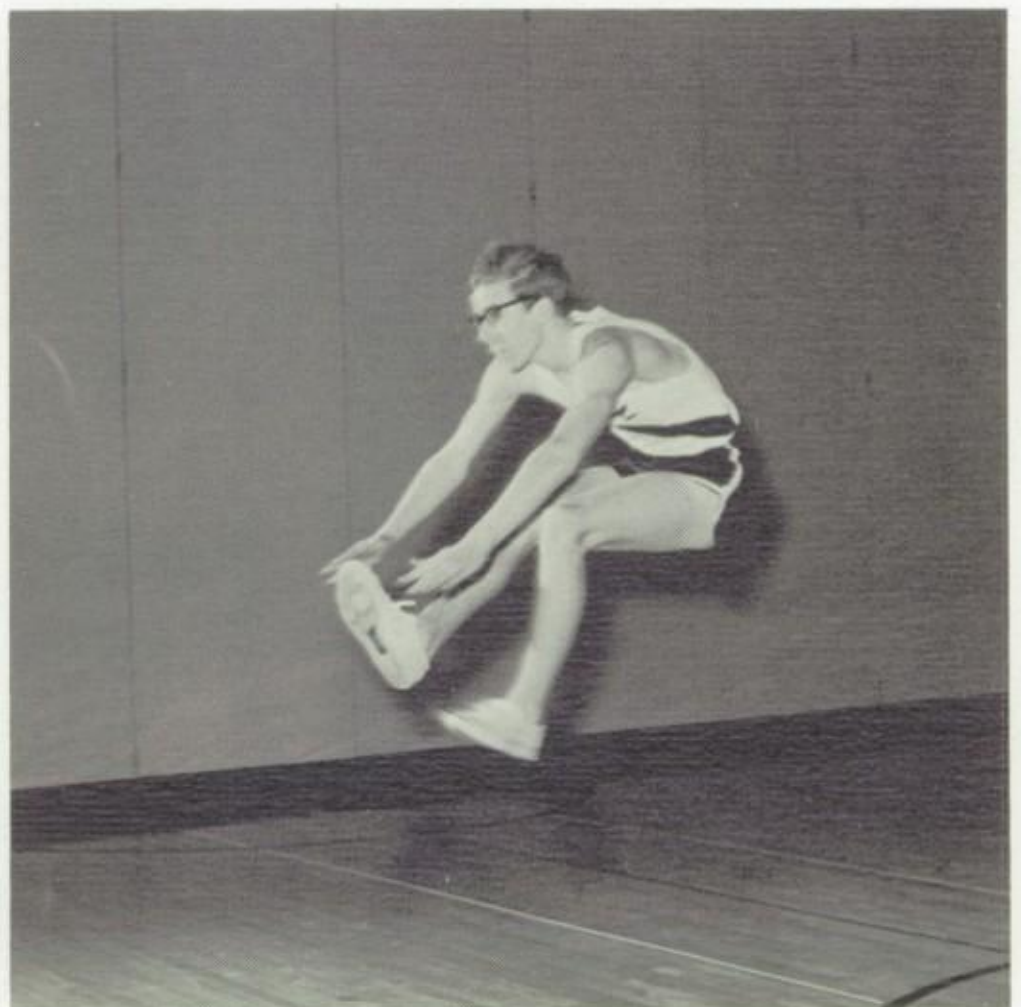

Jim Barclay and Andy Peck clear the low hurdles in perfect form.

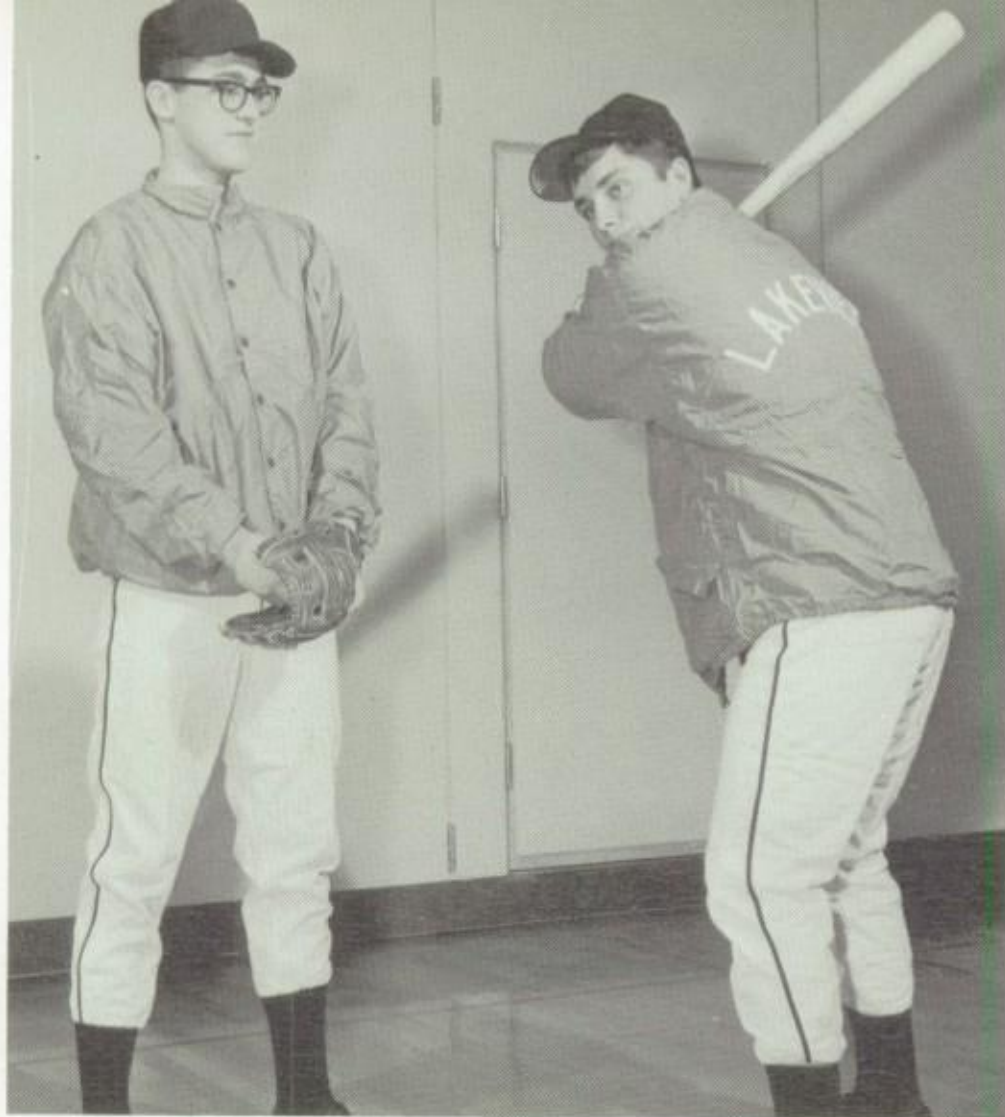

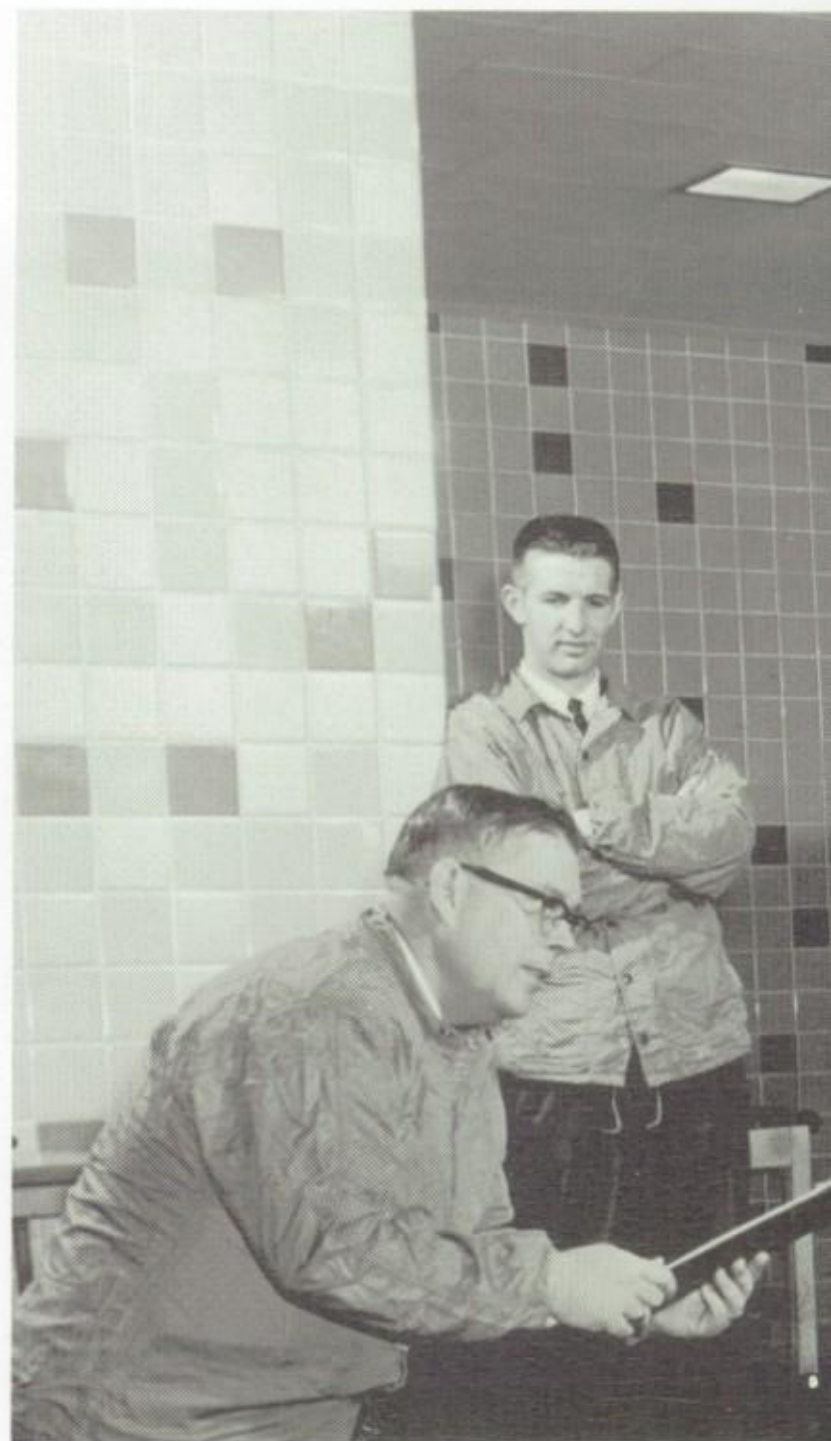

Dud Dunham demonstrates the excellent style that earned him recognition as one of the top high jumpers on the team.

Sophomore Dave Roberts exhibits the form that made him the number one long jumper on the squad.

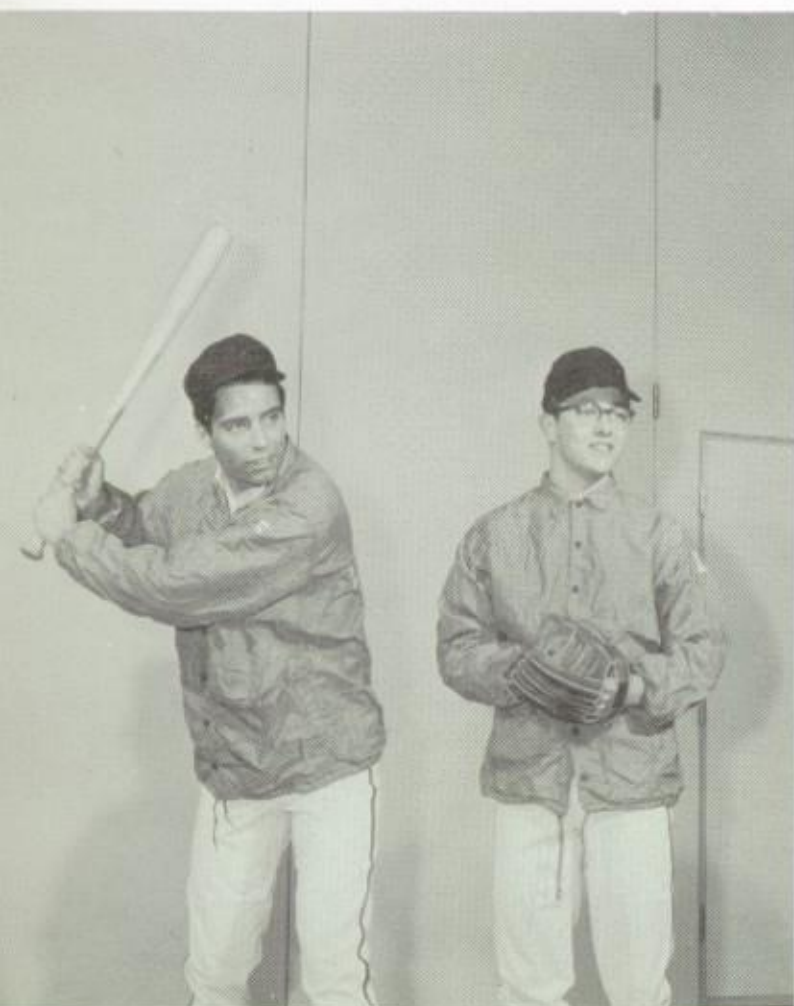

Chuck VanHuysen looks on as third baseman, Brian Munger demonstrates his batting stance.

Randy Campbell and Bill Sherman were two of the best outfielders and sluggers on this year's team.

Returning lettermen, Arden Munger and Dave De-Maso, completed fine two year careers on Lakeview's varsity squad this year.

Seniors Tom Kneir, Randy Campbell, Bill Sherman, Arden Munger, Chuck VanHuysen, Dave DeMaso, and Brian Munger listen with assistant coach Jim Hamilton to Coach Marty Ball as he discusses this year's schedule.

Spartan Sluggers Eye Successful Season

Lansing Everett, last year's conference champs, was the team to beat if the Spartans wanted the conference title.

Bolstered by ten returning lettermen this year's team started the season with a promising future. Returning lettermen were sophomore Dick Barker, seniors Randy Campbell, Roger Cook, Randy Curtis, Dave DeMaso, Tom Kneir, Arden Munger, Brian Munger, Bill Sherman, and Chuck VanHuysen.

The squad was coached by Mr. Marty Ball and Mr. Jim Hamilton, and the co-captains were Tom Kneir and Roger Cook.

Coach Ball discusses the techniques of baseball with co-captain Tom Kneir and assistant coach Jim Hamilton.

Returning letterman, Bob McFellin, was a strong competitor throughout the season with his timely iron shots.

Sophomore Than Watkin's precise putting was a crucial factor in many of the team's dual meets.

Coach Lawrence and Captain Bob Jensen take time out to discuss strategy before a dual meet.

Golfers Drive For S.C.C. Championship

With a nucleus of four returning letterman and promising junior varsity golfers, Coach Lawrence set his sights on the South Central Conference title.

The conference race was certain to be a tight one with everyone aiming to beat conference king, Jackson Parkside.

Chuck Burnham and Than Watkin, who lettered as freshman, along with returning senior letter winners, Bob Jensen and Bob McFellin, were expected to be the mainstays of the squad. The rest of the team competed for the prized fifth spot on the varsity.

Row 2: Coach Glenn Lawrence, Tom Markell, Gary Lesley, Bob McFellin, Bob Jensen. Row 1: Than Watkin, Chuck Burnham, Rick Anthony, Sandy Beggins.

Captain Bob Jensen led the team taking low medal honors in most of the dual meets. Jensen ended a fine four years on the varsity squad this year.

Consistently hitting long drives, enabled Chuck Burnham to make easy approach shots to the green.

Seniors Dennis Buford, Tim Bush, and Doug Wills rehash the matches they have just completed.

Netters Loom As Conference Power

Led by new coaches Mr. Larry Laughlin and Mr. Gary Begg, this year's tennis team was geared for another successful season. The squad was centered around the nine returning lettermen, from last year. They were Randy Philipps, Tim Bush, Dan Harrison, Dennis Buford, Doug Wills, Don Roberts, Kelly Seymour, Larry Edgerton, and Randy Williamson.

These nine letter winners gave the Spartans the experience necessary for a triumphant season. East Lansing, the defending South Central Conference champs, aimed to be "the team to beat" as last year the Spartans finished close behind the Trojans in second place.

Senior Dan Harrison, a three-year letterman, emerges from the locker room prior to a match.

The planning of L Club meetings and activities is one of Dick Hoffman's many presidential duties.

L Club Plans For The Future

The L Club, through its activities, tries to promote better understanding between itself and the school and community.

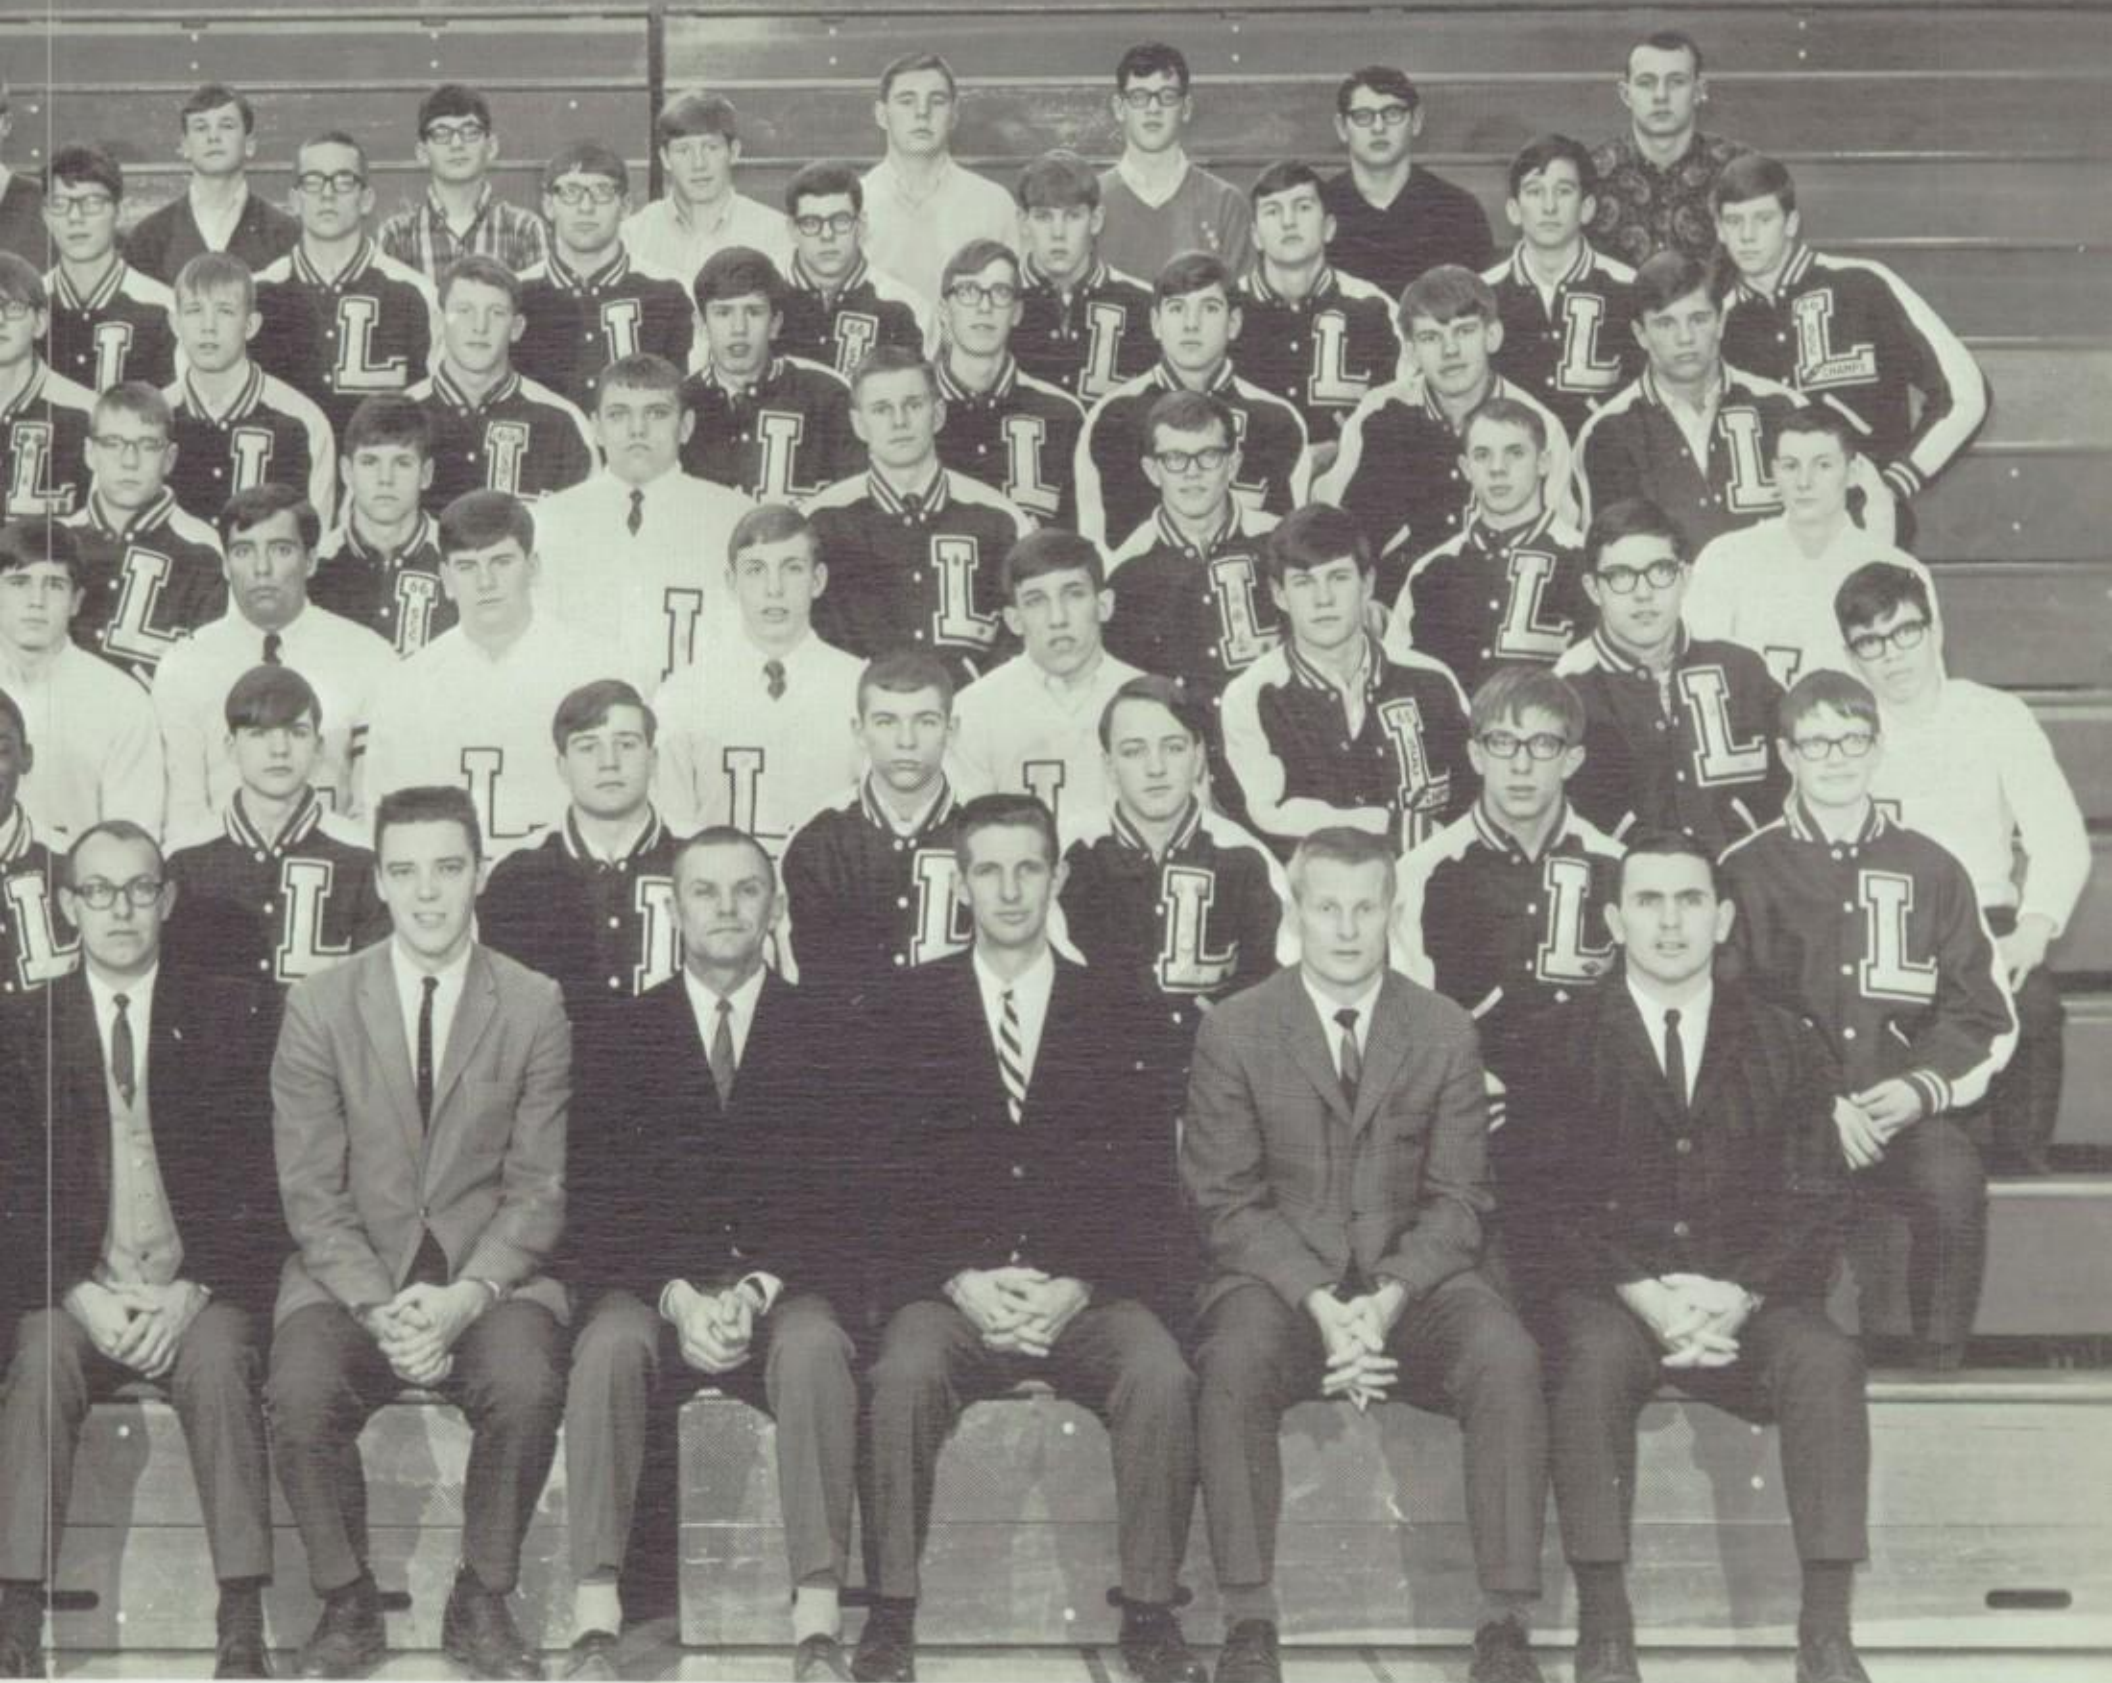

Under the supervision of Mr. James Ritter, the club drafted a new constitution. The club plans to start a tradition of having an annual trip at the end of each year. Throughout the year funds were collected for the trip in numerous ways, such as sponsoring the Creamers-Coaches basketball game.

The club's future aim is the setting up of an alumni club, where graduates who earned letters at L.H.S. would be admitted free to athletic contests. The Lettermen's Club also hopes to send representatives to the Ferris State College athletic club work shop.

Executive Board

This year's L Club officers are: Bruce Bilanow, sergeant at arms; Wayne Pig-gush, secretary; Dick Hoffman, president; Arden Munger, vice-president; Roger Cook, treasurer.

“Spirit of the Spartans”

An active and important part of Lakeview is its peppy cheerleaders. These girls, under the direction of their advisor, Miss Chipley, work for many hours each week practicing, planning pep assemblies, and making locker signs for the athletic teams. The cheerleaders also organize the coat check for all home sports activities and sponsor the Top Ten and Annual Log Signing dances. Special recognition goes to cheerleading manager Barb McDonald and to the cheerleading captains Cathy Clark, Janice Berg, and Carol Squires for their undying devotion to keeping the spirit of Lakeview on top. The cheerleaders effectively achieved their goal of promoting school spirit at Lakeview.

Senior cheerleaders are Sue King, Janice Nemrava and captain Cathy Clark.

Freshman cheerleaders are captain Carol Squires, Sara Green, Debbie Reynolds, Darla Hook, and Judy Joppie.

Administration And Faculty

Those who attend Lakeview High School soon realize that they are here for a purpose—to become responsible American Citizens. The teachers try to develop in them the ability to understand themselves as well as each other. The instructors are well-qualified for their jobs and full of the help and understanding students need to progress rapidly.

Administration, teachers, and counselors, work together to give the students an opportunity to move ahead in life.

English Department

One of the very first things a person learns is how to speak. The ability to communicate with one's fellow man is the necessary basis for all human endeavors.

The purpose of the English Department is to teach the students not only to speak, but also to listen effectively. The job of those teaching literature and composition is to inspire students to use and appreciate their language.

The Art Department

The Art department enables the student to express himself on paper. This department also works on beautifying the exterior of our school building. Our two very artistical minded teachers, Mr. Harold Wurl and Mrs. Mary Anne Frey, helped students in designing their artwork and compositions. With the valuable instruction given by the two teachers, many students found the true beauty of a painting and the hidden expression given off by hand sketch of a person. All and all, the Art department created a mood of culture throughout our school.

The Music Department

Music plays a large part in the lives of many students at Lakeview High School. Mr. Carl Moore conducts and teaches the band, Mr. John Ritters is in charge of the orchestra, and Mrs. Jean Lower heads the choir. These people comprise a talented and skillful Music Department staff. Many of us will long remember the band at pep assemblies and football games, the choir at the holiday assemblies and the orchestra at their beautiful string concerts.

The Special Arts Department

The Industrial Arts Department of Lakeview High School lets the student work with his hands in designing creative and worthwhile projects.

Home economics mainly prepares young women for an important career as the mothers and homemakers of the future. For the past two years, Lakeview has also offered boys' home arts a course designed for young men to help them express themselves in cooking and sewing.

Teaching students what the future has in store for them upon entering the business world is the major goal of Lakeview Business Education Department.

The Language, Speech, And Library Departments

The purpose of the language department is to acquaint the student with the language of a country as well as its customs and cultures.

The ability to speak fluently and distinctively is accomplished with the help of the speech correction department.

We can always depend upon the library for giving us information needed to complete a given assignment. The library is a primary source of knowledge for Lakeview High students and faculty.

The Guidance Department

The guidance department works diligently throughout the year to help students find curriculum schedules to suit their own personalities and basic needs.

Another responsibility of the counselor is to direct seniors who plan to go on to a college or university and to help those seniors who plan to take a job after graduation.

We, as the student body, could not operate effectively without the help of our counselors.

The Physical Education Department

Physical education at Lakeview High School enables the students to participate in a health program which teaches function, care, and protection of the human body.

The boys' and girls' departments offer football, swimming, basketball, and volleyball to develop

muscular co-ordination through exercises and calisthenics.

The physical education of Lakeview High School is trying in many new ways to live up to the fitness system set up by the late President Kennedy.

Maintenance And Cafeteria Staffs

Delicious and well-balanced meals, approximately 180 in the year, were served by the cafeteria staff to an average of 850 students and teachers each day.

We owe a debt of thanks to our maintenance staff for keeping our school building and grounds

in top condition and working order throughout the year.

Because of the skillful work these staffs perform, we can be proud of our school and its pleasant surroundings.
